RE: NEW JERSEY BOARD OF PUBLIC UTILITIES (NJBPU) COMMMUNITY SOLAR PROGRAM LETTER OF SUPPORT

Dear Ms. Sienkowski:

The Township is in receipt of your request for a letter of support for your application to the NJPBU's Community Solar Program for the following properties:

1. 1550 Imperial Way;
2. 1351 Metropolitan Avenue;
3. 1501 Grandview Avenue;
4. 150 Mid Atlantic Parkway; and
5. 400 Grove Road.

West Deptford Township strongly supports alternative and renewable energy facilities and integration of these facilities into the Township's buildings and infrastructure. Community solar projects that enable greater access to solar energy have lasting community-wide benefits to New Jersey's ratepayers, especially to those low- and moderate-income households that specifically benefit from NJBPU's Community Solar Program.

While the Township is supportive of these efforts and policies, this letter does not constitute an official approval of an application without local regulatory review and board approval, where necessary.

Nonetheless, the Township encourages NJBPU to approve these laudable projects, which the Township supports as they are beneficial for both the economy and the environment.

Sincerely,

Denice DiCarlo
Mayor
