Dear Secretary Izzo:

Enclosed for filing are an original and three copies of tariff pages that revise Teleport Communications New York ("TCNY") Tariff B.P.U.-N.J.-No. 4.

The following pages are included in this filing:

- Tariff B.P.U. N.J. – No. 4
- Section 16 – Page 1
- Section 17 – Page 1

This filing extends the service withdraw date from March 15, 2014 to November 15, 2016 for the Prime NBX and PrimePath NBX services. Customers have been informed of this change by a letter that was mailed on November 8, 2013. A copy is included as Attachment 1.

The enclosed tariff pages have an effective date of March 7, 2014.

Acknowledgement and date of receipt of this filing are requested. A postage-paid, pre-addressed envelope is enclosed for this purpose.

Sincerely,

Tim O'Hara

Thank you for using AT&T for your business service needs. We want to make you aware of schedule changes to your AT&T PrimeNBX and PrimePath NBX services. All PrimeNBX & PrimePath NBX services were scheduled to be discontinued March 15, 2014. Effective March 7, 2014, the service discontinuance date will change to **November 15, 2016**. There will be no contract renewals for expired contracts and you must migrate to a different service before the discontinuance date. Please contact your account representative to discuss your alternate service options.

If you have questions about this notice, please contact AT&T Customer Care at the toll-free number on your invoice, or contact your Account Team representative.

We appreciate your understanding and look forward to serving your future business needs.

Sincerely,

Cleveland Beverage
Product Marketing Management
AT&T Services, Inc.

Please do not send inquiries or payments to the return address on this notice. If you have comments or questions, please contact AT&T Customer Service at the toll-free number on your bill.

16. PRIMENBX SERVICE*

16.1 Description

PrimeNBX is a business access line service providing central office based functionalities in addition to access to the Public Switched Network. PrimeNBX lines are available in analog or digital formats depending on the Customer's premise equipment. PrimeNBX allows intercommunication service on a 4-digit basis in addition to access to and from the exchange network without Customer attendant assistance.

Customers with contracts that expire may continue to use the service on a month-to-month basis at their contract rates, terms and conditions, unless otherwise specified in the contract. Customers with expired contracts may also be able to change, upon notice to the Company, to month-to-month tariff rates, terms and conditions. All Customers with expired contract are subject to the limitations on moves, adds, and changes described above.

PrimeNBX services will be discontinued no later than November 15, 2016 and are subject to the provisions set forth below:

(C)
(C)

- A. There will be no contract renewals for customers with expired contracts, or who have terminated service.
- B. Customers must migrate to a different service on, or before the service discontinuance date.

Early termination fees will be waived for PrimeNBX customers wishing to terminate their PrimeNBX service and migrate to a different service prior to their contract expiration.

* PrimeNBX term plans are not available, either under this tariff section or through any Company Contract Tariff or contract referencing this tariff section, to new or existing Customers who did not have it on order on or before June 1, 2004. Existing term plan customers with contracts for PrimeNBX in effect or on order prior to June 1, 2004 may continue under their existing terms and condition, and may move, add or change stations at their existing locations based on availability of existing facilities, but may not add new locations unless otherwise specified in their contracts.

17. PRIMEPATH NBX SERVICE*

17.1 Description

PrimePath NBX is a central office-based analog communications service over loop-start facilities for a retail end-user. The service provides direct inward dialing capability without the requirement of CPE such as a key system or PBX, as well as outward calling capabilities.

Customers with contracts that expire may continue to use the service on a month-to-month basis at their contract rates, terms and conditions, unless otherwise specified in the contract. Customers with expired contracts may also be able to change, upon notice to the Company, to month-to-month tariff rates, terms and conditions. All Customers with expired contract are subject to the limitations on moves, adds, and changes described above.

PrimePath NBX services will be discontinued no later than November 15, 2016 and are subject to the provisions set forth below:

(C)
(C)

- A. There will be no contract renewals for customers with expired contracts, or who have terminated service.
- B. Customers must migrate to a different service on, or before the service discontinuance date.

Early termination fees will be waived for PrimePath NBX customers wishing to terminate their PrimePath NBX service and migrate to a different service prior to their contract expiration.

* PrimePath NBX term plans are not available, either under this tariff section or through any Company Contract Tariff or contract referencing this tariff section, to new or existing Customers who did not have it on order on or before June 1, 2004. Existing term plan customers with contracts for PrimePath NBX in effect or on order prior to June 1, 2004 may continue under their existing terms and condition, and may move, add or change stations at their existing locations based on availability of existing facilities, but may not add new locations unless otherwise specified in their contracts.
