DID – Description and Regulations

This service permits incoming dialed calls from the exchange network to reach specific station line via DID equipped trunk without the assistance of an attendant through the use of a seven digit telephone number. This service is provided only from the central office which normally serves the customer's location and only if that central office is considered equippable in that both the necessary facilities and telephone numbers can be made available. Whenever possible, the Company will attempt to provide telephone numbers arranged consecutively in a group. The Company accepts no responsibility for reserving telephone numbers to be used at some future time.

Where DID trunks are provided by ISDN PRI, as specified in section 6.4 of this tariff, the customer must choose one of these options if DID numbers are present on the PRI: the Individual Trunk Charges on a per Channel basis, the Month-to-Month DID Trunk Package, the PRI DID Trunk Package for the 2 or 3 year volume discount offers.

DID – Monthly Rates (Central Office Equipment<sup>1</sup>)
