Associated Cost Recovery Mechanism  
BPU Docket No. 9015020262**

Dear Secretary Sheehan:

Enclosed for filing are an original and ten copies of the Verified Petition of Pivotal Utility Holdings, Inc. d/b/a Elizabethtown Gas ("Elizabethtown" or "Company") for authority to extend the term of the Company's current Energy Efficiency Programs with certain modifications for a four-year period effective September 1, 2015. The Petition also requests that the costs of the Energy Efficiency Programs continue to be recovered through the Company's existing Energy Efficiency Program surcharge entitled the "Energy Efficiency Program" ("EEP") Rider. The Company is not requesting a change to its EEP Rider rate at this time but will instead seek any necessary rate adjustments in its next filing to reconcile that rate.
