VERIFIED PETITION

Docket No.

Comcast of Burlington County, LLC (hereinafter "Comcast" or "Petitioner"), hereby petitions the Honorable Board of Public Utilities (the "Board"), pursuant to N.J.S.A. 48:5A-15, -16 and -17, N.J.A.C. 14:17-6.9 and N.J.A.C. 14:18-13.1 et seq., for renewal of a Certificate of Approval. In support of its Petition, Petitioner states as follows:

COUNT ONE

1. Comcast, a limited liability company duly organized under the laws of the State of Delaware, is a cable television company subject to the jurisdiction of the Office of Cable Television ("OCTV") and the Board, pursuant to N.J.S.A. 48:5A-1 et seq.
2. Comcast maintains its principal offices at 21 Beverly-Rancocas Road, Willingboro, New Jersey 08046.

3. On or about September 28, 1977, in Docket No. 767C-6181, pursuant to N.J.S.A. 48:5A-17(a) and (b) and N.J.S.A. 48:5A-28(c), the Board issued a Certificate of Approval to General CATV, Inc. ("General") to own, operate and maintain a cable television system ("System") and to provide cable television service in the Township of Edgewater Park ("Township"). A copy of said Certificate of Approval is on file with the OCTV.

4. On January 24, 1979, in Docket No. 7812C-6428, the Board approved the transfer of the System, including the Certificate of Approval with respect to the Township, from General to Futurevision Cable Enterprises, Inc. ("Futurevision").

5. On or about July 1, 1988, pursuant to authorization granted by the Board in its Order of Approval in Docket No. CM8605542, Comcast (previously known as Storer Cable Communications of Burlington County, Inc.) succeeded to the rights of Futurevision as part of an internal corporate reorganization.

6. On or about August 28, 1990, in Docket No. CE89060582, the Board issued a Renewal Certificate of Approval to Petitioner. A copy of said Renewal Certificate of Approval is on file with the OCTV.

7. On or about June 6, 2001, in Docket No. CE99100829, the Board issued a Renewal Certificate of Approval to Petitioner. A copy of said Renewal Certificate of Approval is on file with the OCTV.

8. Pursuant to N.J.S.A. 48:5A-1 *et seq.* and N.J.A.C. 14:18-13.3(a)3, on or about December 20, 2013, Petitioner submitted an Application for Renewal of Municipal Consent (hereinafter the "Municipal Application") to continue to construct, operate and maintain the System in the Township.

9. On or about March 18, 2014, a public hearing was held by the Township with respect to Petitioner's Municipal Application, during which all interested persons desiring to be heard were so heard.

10. On or about December 9, 2014, the Township adopted Ordinance No. 2014-7 (the "Ordinance") granting to Petitioner renewal of its Municipal Consent ("Renewal of Municipal Consent") to continue to construct, operate and maintain the System in the Township. A copy of said Ordinance is annexed hereto as Exhibit A.

11. On or about January 23, 2015, Comcast filed its formal acceptance of the terms and conditions of the Renewal of Municipal Consent granted by the Township, pursuant to N.J.S.A. 48:5A-24. A copy of said letter of acceptance is annexed hereto as Exhibit B.

12. The information pertaining to Petitioner on file with the OCTV, together with the information contained in Petitioner's Municipal Application and its Application for Renewal of a Certificate of Approval ("COA Application"), simultaneously filed herewith, all of which is adopted by reference thereto, establish the requisite criteria for the continued construction, ownership, operation and management of the System in Edgewater Park by Comcast.

13. Comcast possesses the requisite character and suitability for the continued operation of the System. Further, as indicated in the Municipal Application, the COA Application and other information on file with the OCTV, Comcast possesses the necessary financial responsibility and the ability to perform efficiently the proposed services and those services which may be required by the public convenience and necessity during the renewal period. The public convenience and necessity generally support the appropriateness of the issuance of a renewal Certificate of Approval to Petitioner.

14. Petitioner has complied, and will continue to comply, with all rules, regulations and laws applicable to the construction, operation and maintenance of the System and will continue to provide safe, adequate and proper cable television service in Edgewater Park and the other municipalities in which it serves.

COUNT TWO

15. Comcast repeats paragraphs 1 through 14 of COUNT ONE as if set forth fully hereinafter.

16. As set forth in the Municipal Application and the COA Application, and as stated during the public hearing with respect to the Municipal Application, the System operated by Comcast in the Township is part of a larger cable television system serving numerous other municipalities contiguous to and surrounding the Township.

17. As also set forth in the Municipal Application and the COA Application, the Township represents an integral part of the regional Comcast cable television systems serving the counties of Atlantic, Burlington, Camden, Cumberland, Gloucester and Salem. In addition, the demographics of Edgewater Park, as well as its location and other factors, mandate that cable television service be provided by Comcast as part of Comcast's and its affiliates' regional systems.

18. The Township portion of Comcast's and its affiliates' Atlantic, Burlington, Camden, Cumberland, Gloucester and Salem regional cable systems is necessary for the continued provision of safe, adequate and economical cable television service to the citizens and residents of the Township and the larger cable television systems generally. Further, continuation of Comcast's operating authority in the Township will avoid an unreasonable

duplication of services which would otherwise be detrimental to the development of adequate cable television service.

19. Comcast is entitled to a renewal of its Municipal Consent and Certificate of Approval, pursuant to the provisions of Section 17(b) of the New Jersey Cable Television Act, N.J.S.A. 48:5A-1 et seq.

20. Comcast believes that a Renewal Certificate of Approval for the Township of Edgewater Park is necessary and proper for the public convenience and will serve the public interest for reasons which include, *inter alia*, the following:

a. The grant of a Renewal Certificate of Approval to Comcast will ensure the continued provision of cable television service to the residents of the Township;

b. The services to be provided by Comcast set forth in its Municipal Application and its COA Application are of great benefit to the citizens and residents of the Township;

c. The financial strength and technical expertise of Comcast are more than adequate to continue to construct, operate and maintain its System in the Township; and

d. Comcast, its officers and directors, have vast experience in all aspects of cable television. In particular, they possess and represent the highest degree of technical and engineering competence, significant administrative experience and a demonstrated responsiveness to community needs. In addition to Edgewater Park, Comcast and its affiliates hold Certificates of Approval or other authorization to construct, operate and maintain cable television systems in 340 municipalities in New Jersey, as well as additional communities in 38 other states and the District of Columbia.

WHEREFORE, Petitioner Comcast of Burlington County, LLC, hereby requests that the Honorable Board of Public Utilities issue to Petitioner a Renewal Certificate of Approval to continue to construct, operate and maintain a cable television system in and for the Township of Edgewater Park.

Respectfully submitted,
