Re: In The Matter of Demand Response Programs for the Period Beginning
June 1, 2009 - Electric Distribution Company Programs
Docket No. EOO8050326

At its public agenda meeting held on April 3, 2009, the Board of Public Utilities approved the DRWG Modified Program tariff filings made by the state's four electric distribution companies: Atlantic City Electric Company; Jersey Central Power & Light Company; Public Service Electric & Gas Company; and Rockland Electric Company (collectively, the "EDCs").

On April 1, 2009, consistent with the Board's Order dated December 10, 2008, in Docket No. EOO8050326, the four EDCs made compliance tariff filings specifying cost recovery based on the amount of new ILR registered with PJM in their respective service areas by March 1, 2009.

At its public agenda meeting held on April 3, 2009, the Board approved the four EDCs' DRWG Modified Program compliance tariff filing, after finding them to be consistent with the Board's directive.

Sincerely,

A handwritten signature in black ink that reads "Kristi Izzo".
