Re: I/M/O The Petition for Contract Approval by the Township of East Brunswick under New Jersey Water Supply Public Private Contracting Act, N.J.S.A. 58:26-19 et. seq. BPU Docket No.: WO15080961

Dear Ms. Asbury:

Please accept for filing an original and ten (10) copies of comments filed on behalf of the Division of Rate Counsel (“Rate Counsel”) regarding the above-referenced matter. Enclosed is one additional copy. Please date stamp the copy as “filed” and return it to the courier. Thank you for your consideration and attention to this matter.

On August 14, 2015, pursuant to N.J.S.A. 58:26-19, the Township of East Brunswick (“East Brunswick”) filed a petition with the Board of Public Utilities seeking approval of a contract with Utility Service Group to provide water tank maintenance. Rate Counsel has reviewed the petition filed by East Brunswick, as well as the discovery responses provided by East Brunswick in response to questions from Board Staff in the above-referenced matter. Based upon that review, Rate Counsel has no objection to the Board approving East Brunswick’s contract with Utility Service to provide water tank maintenance.
