MAIL RECEIVED

In the Matter of the Petition of the
Four Electric Distribution Companies for
Approval of the Results of the Review Process to
Evaluate the Manner for Selecting a
Solar Renewable Energy Certificate Auction Manager

Docket No. EO13121180

Irene Kim Asbury
Secretary of the Board
Board of Public Utilities
44 South Clinton Avenue, 9th Floor
P.O. Box 350
Trenton, New Jersey 08625-0350

Dear Secretary Asbury:

In accordance with the Board's January 29, 2014 Order in the above-referenced matter, please accept this correspondence on behalf of Atlantic City Electric Company, Jersey Central Power & Light Company, Public Service Electric and Gas Company, and Rockland Electric Company (collectively, the "EDCs").

Pursuant to the January 29, 2014 Order, the Board approved National Economic Research Associates ("NERA") as the joint EDC Solar Renewable Energy Certificate ("SREC") Auction Manager for a two-year period, and thereafter until a subsequent auction manager is approved by the Board. Prior to the end of the two-year period, the Order further directed the EDCs to advise the Board and Rate Counsel whether NERA still meets the criteria established for the Auction Manager and whether they believe it is in the best interests of ratepayers to issue another RFP or extend the NERA contract.

The EDCs believe NERA has met and continues to meet the established criteria and that it is in the best interest of the ratepayers to work with NERA to explore extending the NERA contract.

Thank you for your attention and consideration in this matter. If you have any questions regarding this compliance filing, please advise.

Very truly yours,
