Re: NOS Communications, Inc. Request to Withdraw Its Access Tariff

Dear Ms. Asbury:

NOS Communications, Inc. (NOS), by counsel, respectfully requests that the Board of Public Utilities (Board) approve the Company's request to withdraw its access services tariff.¹ NOS is authorized to operate as a competitive local exchange carrier in New Jersey.² At this time, however, NOS does not provide carrier access services. As a result, the requested tariff withdrawal does not involve discontinuance of any active services and the Company has no customers for these services to be adversely affected. Should NOS seek to offer carrier access services in New Jersey at some future date, the Company will file a new access services tariff pursuant to Board procedures prior to initiating these services.

Enclosed, please find ten copies of this submission as well as a duplicate for date-stamp and return in the enclosed envelope. If there are any questions concerning this request, please contact Winifred Brantl at (202) 421-4894 or via email at wbrantl@kelleydrye.com. Thank you for your assistance with this matter.
