2. Comcast maintains its principal offices at 800 Rahway Avenue, Union, New Jersey 07083.

3. On or about October 9, 1975, pursuant to N.J.S.A. 48:5A-17(a) and (b) and N.J.S.A. 48:5A-28(c), the Board issued a Certificate of Approval in Docket No. 752-6080 to Suburban Cablevision (“Suburban”) to provide cable television service in the Township of Fairfield (“Township” or “Fairfield”). A copy of said Certificate of Approval is on file with the OCTV.

4. On or about December 24, 1991, pursuant to N.J.S.A. 48:5A-17(a) and (b), the Board issued a Renewal Certificate of Approval to Suburban in Docket No. CE91060135 to provide cable television service in Fairfield. A copy of said Renewal Certificate of Approval is on file with the OCTV.

5. On or about November 30, 1994, pursuant to authorization granted by the Board in its Order of Approval in Docket No. CM94080365, Suburban became a wholly-owned indirect subsidiary of Comcast Corporation; Suburban subsequently changed its name to Comcast of New Jersey II, LLC, Petitioner herein.

6. On or about June 9, 1999, pursuant to N.J.S.A. 48:5A-17(a) and (b), the Board issued a Renewal Certificate of Approval to Petitioner in Docket No. CE99040239 to provide cable television service in Fairfield. A copy of said Renewal Certificate of Approval is on file with the OCTV.

7. Pursuant to N.J.S.A. 48:5A-1 et seq. and N.J.A.C. 14:18-13.3(a)3, on or about August 12, 2015, Petitioner submitted an Application for Renewal of Municipal Consent (hereinafter the “Municipal Application”) to continue to construct, operate and maintain a cable television system (“System”) in the Township.

8. On or about April 13, 2015, a public hearing was held by the Township with respect to Petitioner's Municipal Application, during which all interested persons desiring to be heard were so heard.

9. On or about July 20, 2015, the Township adopted Ordinance #2015-09 (the "Ordinance") granting to Petitioner renewal of its Municipal Consent ("Renewal of Municipal Consent") to continue to construct, operate and maintain the System in the Township. A copy of the Ordinance is annexed hereto as Exhibit A.

10. On or about August 12, 2015, Comcast filed its formal acceptance of the terms and conditions of the Renewal of Municipal Consent granted by the Township, pursuant to N.J.S.A. 48:5A-24. A copy of said letter of acceptance is annexed hereto as Exhibit B.

11. The information pertaining to Petitioner on file with the OCTV, together with the information contained in its Application for Renewal of a Certificate of Approval ("COA Application"), simultaneously submitted herewith, all of which is adopted by reference thereto, establishes the requisite criteria for the continued construction, ownership, operation and management of the System in Fairfield by Comcast.

12. Comcast possesses the requisite character and suitability for the continued operation of the System. Further, as indicated in the COA Application and other information on file with the OCTV, Comcast possesses the necessary financial integrity and the ability to perform efficiently the proposed services and those services which may be required by the public convenience and necessity during the renewal period. The public convenience and necessity generally support the appropriateness of the issuance of a Renewal Certificate of Approval to Petitioner.

13. Petitioner has complied, and will continue to comply, with all rules, regulations and laws applicable to the construction, operation and maintenance of the System and will continue to provide safe, adequate and proper cable television service in the Township of Fairfield and the other municipalities in which it serves.

COUNT TWO

14. Comcast repeats paragraphs 1 through 13 of COUNT ONE as if set forth fully hereinafter.

15. As set forth in the Municipal Application, the COA Application and other information on file at the OCTV, the System operated by Comcast in the Township is part of larger regional Comcast and Comcast-affiliated cable television systems serving numerous other municipalities contiguous to and surrounding the Township.

16. As also set forth in the Municipal Application, the COA Application and other information on file at the OCTV, the Township represents an integral part of the Comcast and Comcast-affiliated regional cable television systems serving the counties of Essex, Hudson, Middlesex and Union. In addition, the demographics of the Township, as well as its location and other factors, mandate that cable television service be provided by Comcast as part of Comcast's and its affiliates' regional systems.

17. The Township portion of Comcast's and its affiliates' Essex, Hudson, Middlesex and Union County regional cable systems is necessary for the continued provision of safe, adequate and economical cable television service to the citizens and residents of the Township and the larger cable television systems generally. Further, continuation of Comcast's

operating authority in the Township will avoid an unreasonable duplication of services which would otherwise be detrimental to the development of adequate cable television service.

18. Comcast is entitled to a renewal of its Municipal Consent and Certificate of Approval, pursuant to the provisions of Section 17(b) of the New Jersey Cable Television Act, N.J.S.A. 48:5A-1 et seq.

19. Comcast believes that a Renewal Certificate of Approval for the Township of Fairfield is necessary and proper for the public convenience and will serve the public interest for reasons which include, *inter alia*, the following:

(a) The grant of a Renewal Certificate of Approval to Comcast will ensure the continued provision of safe, adequate and proper cable television service to the residents of the Township;

(b) The services provided and to be provided by Comcast as set forth in its Municipal Application and its COA Application are and will be of great benefit to the citizens and residents of the Township;

(c) The financial strength and technical expertise of Comcast are more than adequate to continue to construct, operate and maintain its cable television system in the Township of Fairfield; and

(d) Comcast, its officers and directors, have vast experience in all aspects of cable television. In particular, they possess and represent the highest degree of technical and engineering competence, significant administrative experience and a demonstrated responsiveness to community needs. In addition to Fairfield, Comcast and its affiliates hold Certificates of Approval or other authorization to construct, operate and maintain cable

television systems in more than 340 municipalities in New Jersey, as well as additional communities in 38 other states and the District of Columbia.

WHEREFORE, it is requested that this Honorable Board of Public Utilities issue to Comcast of New Jersey II, LLC, a Renewal Certificate of Approval to continue to construct, operate and maintain a cable television system in the Township of Fairfield.

Respectfully submitted,
