RE: CM15111255 and TM15111256

Dear Ms. Asbury:

Established in 1951, the Hamilton Area YMCA is a 501(c)3 community organization that promotes youth development, healthy living and social responsibility. We provide the Central New Jersey region with programs and resources that nurture the potential of young people, improve our overall health and well-being, and provide opportunities to give back to the community. With nearly 14,000 members, the Hamilton Y is the largest community organization in Hamilton Township and a leading force for positive change in our region.

I am writing to express our support for the proposed acquisition of Cablevision by Altice. The YMCA has long relied on the support of our partners at Cablevision, and we believe this transaction will allow our relationship to thrive for many years to come. We are pleased that a company with Altice's international experience, resources and history of innovation in the industry will be our new partner, and we are encouraged by their stated commitment to give back to the community.

A strong partnership with a business like Cablevision is vital to our organization, and we look forward to continuing our relationship well into the future. As such, we encourage the Board of Public Utilities to approve this transaction.

Sincerely,

David E. Kisselback, CEO
