**STATE OF NEW JERSEY
BOARD OF PUBLIC UTILITIES**

RECEIVED

IN THE MATTER OF THE PETITION OF : BPU DOCKET NO.
SOUTH JERSEY GAS COMPANY FOR :
APPROVAL OF A MUNICIPAL CONSENT :
IN THE TOWNSHIP OF PILESGROVE : PETITION
:

DEC 05 2016

**BOARD OF PUBLIC UTILITIES
MAIL ROOM**

TO THE HONORABLE COMMISSIONERS OF THE BOARD OF PUBLIC UTILITIES:

By this Petition, South Jersey Gas Company (“South Jersey” or the “Company”), hereby requests that the New Jersey Board of Public Utilities (“BPU” or the “Board”) pursuant to *N.J.S.A. 48:2-14* and *N.J.A.C. 14:1-5.5* approve the municipal consent granted by the Township of Pilesgrove, Salem County, New Jersey (the “Township”). In support of its Petition, South Jersey states the following:

BACKGROUND

1. South Jersey is a regulated public utility engaged in the transmission, distribution, transportation and sale of natural gas in its defined service territory within the State of New Jersey. As such, South Jersey is subject to the jurisdiction of the Board. Within its service territory, the Company services approximately 360,000 customers.

2. South Jersey currently provides natural gas service within the Township and serves approximately 14 residential customers. South Jersey anticipates customer growth within its defined service territory to be approximately 1% annually and for the next 3-5 years.

3. South Jersey has the capacity necessary to ensure a continuation of its natural gas service and does not foresee any concerns regarding its ability to meet the existing and future demands of the Township.

4. Moreover, the Township is serviced by South Jersey’s Glassboro Division customer service center located at 142 South Main Street, Glassboro, New Jersey 08028. The

Glassboro Division will continue to serve South Jersey's customers within the Township for the foreseeable future. No modifications to the location or hours of operation of the center are proposed by virtue of this Petition.

MUNICIPAL CONSENT

5. On or about September 9, 1947, pursuant to ordinance, the Township consented to: (1) the Company furnishing natural gas service in the Township; and (2) the Company's use of the streets (the "Original Consent"). See September 9, 1947 Ordinance attached hereto as Exhibit "A".

6. Pursuant to *N.J.S.A.* 48:3-15, the portion of the Original Consent applicable to the Company's use of the streets expired on September 9, 1997. Specifically, *N.J.S.A.* 48:3-15 provides, in relevant part, that "the board or body of such municipality authorized to grant consent may, by ordinance and not otherwise, grant for a period not exceeding fifty years, the right to use the streets petitioned for."

7. By virtue of this fifty (50) year statutory limitation, South Jersey obtained the renewed consent of the Township applicable to its use of the streets. Pursuant to Ordinance No. 16-10, the Township acknowledged the Original Consent and granted exclusive consent and permission to South Jersey to lay and construct its pipes and mains and related appurtenances and facilities within the streets, alleys, squares and public places within the Township for a period of twenty-five (25) years. See Ordinance 16-10 attached hereto as Exhibit "B".

8. By letter to the Township dated November 22, 2016, South Jersey accepted and agreed to the terms and conditions of such municipal consent pursuant to *N.J.S.A.* 48:3-16. A true and correct copy of the Company's November 22, 2016 correspondence is attached hereto as Exhibit "C".

MISCELLANEOUS

9. A proposed public notice is attached to this Petition as Exhibit "D". A copy of this Petition will be served on the Clerk of the Township and the Clerk of the Board of Chosen Freeholders.

10. *N.J.S.A. 48:2-14* requires Board approval of a municipal consent granted by a municipality to a public utility subject to the Board's jurisdiction. The consent, which is the subject matter of this Petition, complies with all statutory and administrative requirements necessary for its approval. The Board's approval of the consent is necessary and proper for the public convenience and properly conserves the public interests.

WHEREFORE, South Jersey Gas respectfully requests that the Board grant the following:

1. Approve the municipal consent granted to South Jersey by the Township; and
2. Provide any and other further relief deemed just and equitable.

Respectfully submitted,

South Jersey Industries

By: 

Stacey M. Barnes, Esq.

Dated: 11/29/14
