Re: Cablevision of Hudson County, LLC Renewal of a System-Wide Cable
Television Franchise / BPU Docket No. CE17030183

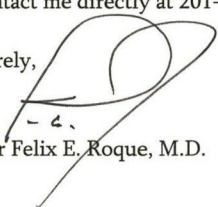

Dear Ms. Asbury:

It is my pleasure to write to you to express my support for the system-wide franchise renewal application under consideration for Cablevision of Hudson County (hereinafter "Cablevision").

Cablevision has had a long history in the Town of West New York and has been a great corporate neighbor. Time and again, Cablevision has met its customers' needs by building an advanced network; offering the most innovative video, voice and high-speed internet services available in the world. Now, as part of Altice USA, Cablevision is committed to offering superior and innovative products and services, and has ambitious plans to further improve and transform the customer experience based on Altice's worldwide expertise and knowledge. Additionally, Cablevision has been an outstanding community partner by supporting local initiatives and community organizations in the city to spur interest in STEM careers and economic development.

It is without hesitation that I contact you to express my support for Cablevision's renewal application before the board. Should you have further questions or concerns, please feel free to contact me directly at 201-295-5100.

Sincerely,

Mayor Felix E. Roque, M.D.
