Trenton, NJ 08625-0350

Dear Ms. Asbury,

My husband and I support the BPU in establishing a new infrastructure Investment Program for utilities. It's very important to have safe and reliable utilities. As you can see from the disasters in Florida and Texas how important utilities are. We need safe and reliable utilities! Please pass BPU Docket #AX17050469.

Thank You,

Christine Pfister

Dear Ms. Asbury,

My husband and I support the BPU's Provisional Rates Proposed Rates Rule docket #AX17050468. To have good safe and reliable utilities the companies have to be able to finance the construction. We need safe and reliable utilities! Please pass BPU Docket #AX17050468.

Thank You,

Christine Pfister
