CHANGE THE LEVELS OF ITS :

:

Stacy A. Mitchell, Esq., upon his oath, deposes and says:

1. I am of full age. I am Vice President, SJI Utilities, Inc. (“SJIU”, “South Jersey” or the “Company”).

2. I offer this Affidavit in support of the Company’s claim that Appendix V and Appendix VIII to the RAC Minimum Filing Requirements (the “Appendices”) are and should be maintained as confidential in this proceeding.

3. SJG, the Staff of the Board of Public Utilities and the Division of Rate Counsel (collectively, the “Parties”) entered into an Agreement of Non-Disclosure of Information Claimed to be Confidential (the “NDA”).

4. Pursuant to the NDA, the Parties agreed not to disclose the contents of any “Confidential Information”, including information the providing party may claim constitutes or contains market-sensitive, competitive, confidential, trade secret or proprietary information.

5. The information contained in the Appendices includes, *inter alia*, confidential and proprietary data.

6. Moreover, the information contained in the Appendices is not routinely available to the public in any manner.

7. If other vendors to South Jersey became aware of the information contained in the Appendices, this would result in harm to South Jersey and its customers.

8. Revealing the terms and conditions of the Appendices to the public would unfairly place South Jersey at a competitive disadvantage among its vendors.

9. The Company will make the Appendices available to the Parties to this proceeding who have executed the NDA.

10. The Company requests that the information contained in the Appendices remain confidential until such time as the Company and/or the Board deem otherwise.
