VERIFIED PETITION

Docket No.

Comcast of South Jersey, LLC (hereinafter, "Comcast" or "Petitioner"), hereby petitions the Honorable Board of Public Utilities (the "Board"), pursuant to 47 U.S.C. §546(c), N.J.S.A. 48:5A-15, 16 and 17, N.J.A.C. 14:17-6.9 and N.J.A.C. 14:18-13.1 et seq., for renewal of a Certificate of Approval to continue to construct, operate and maintain a cable television system ("System") in the Township of Alloway, Salem County, New Jersey ("Township" or "Alloway"). In support of its Petition, Petitioner states as follows:

COUNT ONE

I. Comcast, a limited partnership duly organized under the laws of the State of Delaware, is a cable television company subject to the jurisdiction of the Office of Cable Television & Telecommunications ("OCTV&T") and the Board, pursuant to N.J.S.A. 48:5A-1 et seq.

2. Comcast maintains its principal offices at 1250 Haddonfield-Berlin Road, Cherry Hill, New Jersey 08034.

3. On or about February 8, 1989, in Docket No. CE88101104, pursuant to N.J.S.A. 48:5A-17(a) and (b) and N.J.S.A. 48:5A-28(c), the Board issued a Certificate of Approval to Tri-County Cable Television Company (“Tri-County”) to provide cable television service in the Township of Alloway. A copy of said Certificate is on file with the OCTV&T.

4. On May 1, 1996, in Docket No. CM95110598, the Board approved the transfer of the Certificate of Approval with respect to the Township from Tri-County to Lenfest Atlantic, Inc. (“Lenfest”).

5. On January 18, 2000, pursuant to the Order of Approval issued January 6, 2000 by the Board in Docket No. CM99110855, Lenfest became an indirect, wholly owned subsidiary of Comcast Corporation. Subsequently, on or about September 13, 2000, Lenfest’s name was formally changed to Comcast of South Jersey, Inc., now known as Comcast of South Jersey, LLC, Petitioner herein. A copy of said Order of Approval is on file at the OCTV&T.

6. On March 6, 2002, in Docket No. CE99080531, the Board issued to Petitioner a Renewal Certificate of Approval to continue to provide cable television service in the Township. A copy of said Renewal Certificate is on file with the OCTV&T.

7. Pursuant to N.J.S.A. 48:5A-1 et seq. and N.J.A.C. 14:18-13.3(a)3, on or about June 2, 2016, Petitioner submitted an Application for Renewal of Municipal Consent (hereinafter the “Municipal Application”) to continue to construct, operate and maintain a cable television system in the Township.

8. On or about September 9, 2016, a public hearing was held by the Township with respect to Petitioner's Municipal Application, during which all interested persons desiring to be heard were so heard.

9. On or about June 21, 2018, the Township adopted Ordinance No. 501 (the "Ordinance"), granting to Petitioner renewal of its Municipal Consent ("Renewal of Municipal Consent") to continue to construct, operate and maintain a cable television system in the Township. A copy of the Ordinance is annexed hereto as Exhibit A.

10. On or about July 9, 2018, Comcast filed its formal acceptance of the terms and conditions of the Renewal of Municipal Consent granted by the Township, pursuant to N.J.S.A. 48:5A-24. A copy of said letter of acceptance is annexed hereto as Exhibit B.

11. Information pertaining to Petitioner on file with the OCTV&T, together with the information contained in the Municipal Application and Petitioner's Application for Renewal of a Certificate of Approval ("COA Application"), simultaneously filed herewith, all of which is adopted by reference thereto, establishes the requisite criteria for the continued construction, operation and management of a cable television system in Alloway by Comcast.

12. Comcast possesses the requisite character and suitability for the continued operation of the system. Further, as indicated in the material filed with the Township and on file with the OCTV&T, and set forth in the Municipal Application and the COA Application, Comcast possesses the necessary financial integrity and the ability to perform efficiently the proposed services and those services which may be required by the public convenience and necessity during the renewal period. The public convenience and necessity generally support the appropriateness of the issuance of a renewal Certificate of Approval to Petitioner.

13. Petitioner has complied, and will continue to comply, with all rules, regulations and laws applicable to the construction, operation and maintenance of the System and will continue to provide safe, adequate and proper cable television service in Alloway and the other municipalities in which it serves.

COUNT TWO

14. Comcast repeats paragraphs 1 through 13 of COUNT ONE as if set forth fully hereinafter.

15. As set forth in the COA Application and other information on file at the OCTV&T, the System operated by Comcast in the Township is part of larger regional cable television systems serving numerous other municipalities contiguous to and surrounding the Township.

16. As also set forth in the COA Application and other information on file at the OCTV&T, the Township represents an integral part of the Comcast regional cable television systems serving the counties of Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester and Salem. In addition, the demographics of the Township, as well as its location and other factors, mandate that cable television service be provided by Comcast as part of Comcast's and its affiliates' regional systems.

17. The Township portion of Comcast's and its affiliates' Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester and Salem County regional cable systems is necessary for the continued provision of safe, adequate and economical cable television service to the citizens and residents of the Township and the larger cable television systems generally. Further, continuation of Comcast's operating authority in the Township will avoid an

unreasonable duplication of services that would otherwise be detrimental to the development of adequate cable television service.

18. Comcast is entitled to a renewal of its Certificate of Approval for the Township, pursuant to the provisions of Section 17(b) of the New Jersey Cable Television Act, N.J.S.A. 48:5A-1 et seq.

19. Comcast believes that a Renewal Certificate of Approval for the Township of Alloway is necessary and proper for the public convenience and will serve the public interest for reasons which include, inter alia, the following:

a. The grant of a Renewal Certificate of Approval to Comcast will ensure the continued provision of cable television service to the residents of the Township;

b. The services provided by Comcast as set forth in its COA Application are of great benefit to the citizens and residents of the Township;

c. The financial strength and technical expertise of Comcast are more than adequate to continue to construct, operate and maintain its cable television system in the Township; and

d. Comcast, its officers and its directors, have vast experience in all aspects of cable television. In particular, they possess and represent the highest degree of technical and engineering competence, significant administrative experience and a demonstrated responsiveness to community needs. In addition to the Township, Comcast and other Comcast affiliates hold Certificates of Approval or other authorization to construct, operate and maintain cable television systems in more than 340 municipalities in New Jersey, as well as additional communities in 38 other states and the District of Columbia.

WHEREFORE, Comcast hereby requests that the Honorable Board of Public Utilities issue to Petitioner a Renewal Certificate of Approval to continue to construct, operate and maintain a cable television system in and for the Township of Alloway.

Respectfully submitted,
