CERTIFICATION IN
SUPPORT OF MOTION

Docket No. EO18101111

NOV 15 2018

BOARD OF PUBLIC UTILITIES
TRENTON, NJ

I, Margaret Comes, of full age, do hereby certify as follows:

1. I am Associate Counsel for Rockland Electric Company ("Rockland" or "the Company"), and an attorney admitted in the State of New Jersey. As such, I am familiar with the facts and circumstances concerning this matter, and I make this Certification in support of Rockland's Motion to Participate.

2. On October 11, 2018, Public Service Electric and Gas Company ("PSE&G" or "Company") filed a petition with the New Jersey Board of Public Utilities ("Board") seeking approval for its Clean Energy Future-Electric Vehicle and Energy Storage Program ("CEF-EVES Program" or "Program"). The Company asserts that the Program furthers the State's goals by reducing greenhouse gas emissions, creating "green jobs", launching the electric vehicle industry and energy storage technologies in New Jersey and making the electric grid more reliable, resilient and safe.

3. Rockland is a New Jersey public utility, which maintains its principal office at One Lethbridge Plaza, Suite 32 – 2nd Floor, Route 17 North, Mahwah, New Jersey 07430. Rockland is engaged in the distribution and sale of electric energy for residential, commercial, and industrial purposes within New Jersey in the northern parts of Bergen and Passaic Counties and small areas in the northeastern and northwestern parts of Sussex County. Rockland is one of

four investor-owned electric utilities in New Jersey. Rockland serves approximately 72,000 electric customers in New Jersey.

4. *N.J.A.C. 1:10-16.6(a)* sets forth the criteria for participation:

[A]ny person or entity with a significant interest in the outcome of a case may move for permission to participate.

5. *N.J.A.C. 1:10-16.6(b)* sets forth the standards that must be weighted when the Board considers a motion to participate:

In deciding whether to permit participation, the judge shall consider whether the participant's interest is likely to add constructively to the case without causing undue delay or confusion.

6. Rockland is entitled to participate because as one of only four investor-owned electric utilities in New Jersey serving retail customers, it has a significant interest in the above-captioned proceeding, *N.J.A.C. 1:10-16.6(a)*, and its interests will add constructively to this proceeding without causing undue delay or confusion. *N.J.A.C. 1:10-16.6(b)*. Rockland's significant interest in the outcome of the proceeding is rooted in the fact that substantive policy and/or procedural requirements established in this proceeding can significantly influence, if not have a precedential effect over, the positions taken by parties in, and the outcome of, proceedings involving Rockland. Therefore, it is important that Rockland be permitted participant status in this proceeding, so that it may monitor developments and be apprised of potential policy developments, both substantive and procedural, on these important issues in a timely manner.

7. Rockland's interests in this proceeding, as an investor-owned electric utility serving retail customers, are materially different from the petitioner, which represents its own interests, or the other parties (e.g., Board Staff and the Division of Rate Counsel), who primarily represent consumer interests.

8. Moreover, Rockland's interests will contribute to the development of a complete record for the consideration by the Board without causing any delay or confusion since the proceeding has just commenced. *N.J.A.C. 1:10-16.6(b)*. In this matter, Rockland intends only to participate in order to receive copies of testimony, briefs and other materials, to monitor the proceedings and perhaps file briefs and/or exceptions. Rockland will abide by whatever procedural schedule is set by the Board.

9. At this time, Rockland seeks only participant status and does not foresee expanding that role. Rockland must, of course, reserve its right to seek full party intervener status if the relevant circumstances underlying this proceeding change, and it can establish that it satisfies regulatory requirements for such a change.

10. Rockland requests that all communications, correspondence, orders and other documentation relating to this proceeding be directed to the following persons:

11. According, Rockland respectfully requests that the Board grant its motion to participate in this proceeding, with the rights to argue orally, file briefs or statements, or file exceptions.

I hereby certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements are willfully false, I am subject to punishment.
