SOUTH JERSEY GAS COMPANY FOR :  
APPROVAL TO REVISE THE COST : STIPULATION OF SETTLEMENT  
RECOVERY CHARGE ASSOCIATED :  
WITH ENERGY EFFICIENCY :  
PROGRAMS ("EET CHARGE") :

**APPEARANCES:**

**Stacy A. Mitchell, Esq.**, Vice President, Rates & Regulatory Affairs, SJI Utilities, Inc., on behalf of South Jersey Gas Company ("Petitioner").

**Felicia Thomas-Friel, Esq.**, Managing Attorney-Gas, Division of Rate Counsel; **Kurt S. Lewandowski, Esq.**, and **Maura Caroselli, Esq.**, Assistant Deputy Rate Counsels, on behalf of the Division of Rate Counsel ("Rate Counsel") (**Stefanie Brand**, Director).

**Alex Moreau**, Deputy Attorney General, on behalf of the Staff of the New Jersey Board of Public Utilities ("Staff") (**Gurbir S. Grewal**, Attorney General of New Jersey).

**TO THE HONORABLE COMMISSIONERS OF THE BOARD OF PUBLIC UTILITIES:**

This Stipulation of Settlement ("Stipulation") addresses the petition filed by South Jersey Gas Company ("South Jersey" or "Company") on June 8, 2018 in Docket No. GR18060625 seeking to decrease its Energy Efficiency Tracker ("EET") rate. The parties to this proceeding are South Jersey, the New Jersey Division of Rate Counsel ("Rate Counsel"), and the Staff of the Board of Public Utilities ("Staff") (collectively, "Parties"). Following review and analysis of the Petition, Schedules and written discovery, the Parties to this proceeding agree and stipulate to the following Procedural History and Stipulated Terms of settlement:

**I. EET PROCEDURAL HISTORY**

1. On January 26, 2009, pursuant to *N.J.S.A.* 48:3-98.1, South Jersey filed a Petition with the Board in Docket Numbers EO09010056 and GO09010059 seeking approval to develop

and implement several energy efficiency programs (“EEPs”) that were to be made available to South Jersey customers over a two-year period in order to promote energy efficiency and conservation while simultaneously stimulating the State’s economy.

2. At the same time, the Company sought Board approval for an associated EET cost recovery rider mechanism.

3. The EEPs were designed to complement and supplement the then-existing offerings of New Jersey’s Clean Energy Program (“CEP”) and the Company’s Conservation Incentive Program (“CIP”) in order to encourage higher levels of participation in energy efficiency programs in South Jersey’s service territory.

4. According to South Jersey, the proposed EEPs were consistent with the focus of *N.J.S.A. 26:2C-45* (Regional Greenhouse Gas Initiative Legislation), the then-existing New Jersey Energy Master Plan, and Governor Corzine’s economic stimulus goals, and were geared toward encouraging customers to reduce their overall energy usage. The EEPs also had the beneficial effect of creating additional jobs in the energy efficiency market.

5. In an Order dated July 24, 2009 in Docket No. GO09010059 (“July 2009 Order”), the Board authorized South Jersey to implement several EEPs and to recover all revenue requirements associated with the EEPs through creation of the EET, which consisted of two parts. The first part of the EET allowed the Company to earn a return on its investment and recover the amortization of the regulatory asset to be created upon South Jersey’s balance sheet. The second part of the EET allowed the Company to recover incremental operating and maintenance (“O&M”) expenses associated with the EEPs.

6. Pursuant to the July 2009 Order, the initial EET rate was established as \$0.0024 per therm, including Sales and Use Tax (“SUT”) and Public Utility Assessment (collectively,

“Taxes”). The Company was further required to submit an annual EEP cost recovery filing to establish future EET rates, which was to include information listed as minimum filing requirements set forth in Appendix D of the Stipulation and in the July 2009 Order.

7. On July 9, 2010, the Company submitted its First Annual EET Filing with the Board in Docket No. GO10070466, seeking to increase the then-existing EET rate to \$0.0078 per therm, including Taxes. Following proper notice, public hearings were held on January 13, 2011. No members of the public were in attendance.

8. During the pendency of the First Annual EET Filing proceeding, on November 18, 2010, South Jersey filed a Letter Petition in Docket No. GO10110861, seeking modification of the July 2009 Order to extend the program and reallocate existing funds, without an increase in total funding for the EEPs.

9. By Order dated January 19, 2011 (“January 2011 Order”), the Board authorized South Jersey to extend the EEPs by one year to allow the Company to carryover individual program under-spending until December 31, 2011, as well as allow monthly program investment and O&M costs associated with the EEPs to continue until April 30, 2012. In addition, the January 2011 Order authorized the reallocation of funds within the EEP budget.

10. On June 1, 2011, the Company submitted its Second Annual EET Filing with the Board in Docket No. GR11060336, seeking to increase the then-existing EET rate to \$0.0096 per therm, including Taxes. Following proper notice, public hearings were held on August 10, 2011. No members of the public were in attendance.

11. On May 3, 2012, South Jersey filed a second petition in Docket No. GO12050363 (“EEP II Petition”), seeking authorization to continue its approved EEPs, with certain modifications, and to implement new EEPs.

12. On June 1, 2012, the Company submitted its Third Annual EET Filing with the Board in Docket No. GR12060473, seeking to increase the EET rate to \$0.0119 per therm, including Taxes. Following proper notice, public hearings were held in this matter on August 7, 2013. No members of the public were in attendance.

13. On June 6, 2012, South Jersey filed a Petition in Docket No. GO12060492, seeking to extend the EEP and EET through December 31, 2012 to permit the Company to spend the remaining unexpended EEP funds.

14. On September 13, 2012, the Board issued an Order approving an increase in the EET rate to \$0.0096 per therm, including Taxes, thereby resolving the First and Second Annual EET Filings.

15. By Order dated January 23, 2013, during the pendency of the EEP II Petition and the Third Annual EET Filing, the Board authorized South Jersey to extend its EEPs and EET through June 30, 2013. When the budget for the extension was added to the existing funding, the total amount of the extension budget was \$2,522,469.

16. On May 31, 2013, the Company submitted its Fourth Annual EET Filing with the Board in Docket No. GR13050435, seeking to increase the EET rate to \$0.0134 per therm, including Taxes. Following proper notice, public hearings were held in this matter on January 29, 2014. No members of the public were in attendance.

17. On June 21, 2013 in Docket No. GO12050363, the Board issued an Order (“the July 2013 Order”) authorizing South Jersey to offer four EEPs through June 2015 with an authorized budget of \$24 million (“EEP II Extension Program”), which included: (1) the Residential Home Performance and Finance Energy Efficiency Program; (2) the Non-Residential Energy Efficiency Investment Program; (3) the Enhanced Residential HVAC Rebate Program;

and (4) the Commercial Customer Direct Install Financing Program. The June 2013 Order also authorized South Jersey to continue its EET to recover all prudently incurred costs associated with the EEPs. The Parties also agreed to implement the initial rate of \$0.0035 per therm, including Taxes, associated with the approved programs (“EET II Extension Rate”).

18. By Order dated September 30, 2014, the Board approved a stipulation entered into among the Parties resolving the Third and Fourth Annual EET Filings (Docket Nos. GR12060473 and GR13050435). Pursuant thereto, the Parties agreed that the then-current EET rate of \$0.0096 per therm, including Taxes, would increase to \$0.0134 per therm, including Taxes. This rate was combined with the EET II Extension Rate of \$0.0035 per therm, including Taxes, for a total EET rate of \$0.0169 per therm, including Taxes.

19. On May 30, 2014, the Company filed its Fifth Annual EET Filing in Docket No. GR14050509, seeking Board approval to increase the then-existing EET rate to \$0.015577 per therm, including Taxes. However, due to the rate change that became effective October 1, 2014, pursuant to the Board’s approval of the stipulation resolving both the Third and Fourth Annual EET Filings, the requested rate of \$0.015577 per therm, including Taxes, reflected a decrease from the then-current rate of \$0.0169, including Taxes. Following proper notice, public hearings related to the Fifth Annual EET Filing were held on August 19, 2014. No members of the public were in attendance.

20. On January 20, 2015, South Jersey filed a third petition in Docket No. GR15010090, seeking approval to further extend the approved EEPs, with certain modifications, and to implement a new EEP.

21. On June 1, 2015, the Company submitted its Sixth Annual EET Filing to the Board in Docket No. GR15060643, seeking approval to decrease the then-existing EET rate from \$0.0169 per therm, including Taxes, to a rate of \$0.003252, including Taxes.

22. On August 19, 2015 in Docket No. GR15010090, the Board issued an Order (the "August 2015 Order") authorizing South Jersey to continue its Residential Home Performance and Finance Energy Efficiency Program, Non-Residential Energy Efficiency Investment Program, Enhanced Residential HVAC Rebate Program, and Commercial Customer Direct Install Financing Program through August 2017 with an authorized budget of \$36.3 million ("EEP III Extension Program"). The August 2015 Order also authorized South Jersey to implement the Social Marketing and Education Program (OPOWER), as well as to continue its EET to recover all prudently incurred costs associated with the EEPs.

23. Pursuant to the August 2015 Order, the Parties agreed to an initial rate of \$0.004494 per therm, including Taxes, associated with the approved EEP III Extension Program ("EET III Extension Rate"). This rate was combined with the then-current EET rate of \$0.0169 per therm, including Taxes, for a total EET rate of \$0.021394 per therm, including Taxes, which went into effect September 1, 2015. The EET III Stipulation was approved by way of Board Order dated August 19, 2015.

24. By Order dated February 24, 2016, the Board approved a stipulation executed by the Parties resolving the Fifth and Sixth Annual EET Filings (Docket Nos. GR14050509 and GR15060643). Pursuant thereto, the Parties agreed that the then-current EET rate of \$0.023194 per therm, including Taxes, should be decreased to \$0.007302 per therm, including Taxes.

25. On June 2, 2016, the Company submitted its Seventh Annual EET Filing to the Board in Docket No. GR16060491, seeking approval to decrease the then-current EET rate from \$0.007302 per therm, including Taxes, to \$0.005995 per therm, including Taxes.

26. On October 31, 2016, the Board approved a decrease in the EET rate to a level of \$0.004576<sup>1</sup> per therm, including Taxes, resolving the Seventh Annual EET Filing.

27. On November 4, 2016, the Company filed a Letter Petition with the Board seeking approval to extend the term of the Company's existing EEPs through December 31, 2018.

28. On January 25, 2017 ("January 2017 Order"), the Board approved an extended term of the current EEP III Extension Program to December 31, 2018, with no additional funding.

29. On June 23, 2017, the Company submitted its Eighth Annual EET Filing in Docket No. GR17060673, seeking approval to increase the then-current EET rate from \$0.004571 per therm, including Taxes, to \$0.009917 per therm, including Taxes. Following proper notice, public hearings were held on August 29, 2017. No members of the public were in attendance.

30. On November 21, 2017, the Board issued an Order approving an increase in the EET rate to \$0.009166<sup>1</sup> per therm, including Taxes, resolving the Eighth Annual EET Filing.

31. On March 27, 2018, the Company filed a fourth petition in Docket No. GO18030350, seeking approval to further extend the approved EEPs, with certain modifications, and to implement new EEPs for a five-year period with an overall budget of approximately \$195 million ("EEP IV Extension Program").

---

<sup>1</sup> On November 14, 2016 the Board issued a Secretary's Letter under Docket No. ER16111054 to all New Jersey electric and gas utilities, pursuant to P.L. 2016, c. 57, stating that the SUT to be charged to customers for utility service has been changed from 7.0% to 6.875% effective January 1, 2017, and thereafter to 6.625% effective January 1, 2018. Accordingly, the current EET Rate is \$0.009144 per therm, including Taxes.

32. On October 29, 2018 in Docket No. GO18030350, the Board issued an Order (“October 2018 Order”) authorizing the Company to implement the EEP IV Extension Program for a three-year period with an overall authorized budget of approximately \$81.3 million. The October 2018 order also authorized South Jersey to continue its EET to recover all prudently incurred costs associated with the EEPs.

33. Pursuant to the October 2018 Order, the Parties agreed to an initial rate of \$0.008117 per therm, including Taxes, associated with the approved EEP IV Extension Program (“EET IV Extension Rate”).

## **II. THE 2018 EET TRUE-UP**

34. By petition dated June 8, 2018 (“Petition”), the Company submitted its Ninth Annual EET Filing in Docket No. GR18060625, seeking Board approval to decrease the EET rate at that time to \$0.006339 per therm, including Taxes. This represented a decrease of \$0.002805 per therm from the current EET rate of \$0.009144 per therm, including Taxes. The Petition was based on actual data through April 30, 2018, and projected data from May 1, 2018 through September 30, 2019, using the Board-approved weighted average cost of capital (“WACC”) in effect at the time the Petition was filed.

35. Following proper notice, public hearings were held in this matter on August 20, 2018. No members of the public were in attendance.

36. The Parties engaged in discovery in this proceeding and all such discovery has been answered in full by the Company.

37. Specifically, based on the terms and conditions set forth herein, the Parties **STIPULATE AND AGREE** as follows:

### **III. STIPULATED MATTERS**

38. Based on the Company's updated filing provided on September 20, 2018, with actual data through August 31, 2018 and projected data from September 1, 2018 through September 30, 2019 (as shown in Exhibit A attached hereto), the Parties agree that South Jersey's EET rate should decrease to a rate of \$0.006288 per therm, including taxes. This rate reflects the Board-approved WACC in effect at the time the Petition was filed and represents a decrease of \$0.002856 per therm from the current EET rate of \$0.009144 per therm, including Taxes. This rate will be combined with the EET IV Extension Rate of \$0.008117 per therm, including Taxes, for a total combined EET rate of \$0.014405 per therm, including Taxes.

39. The Signatory Parties agree that any change in the WACC authorized by the Board in a subsequent base rate case will be reflected in the subsequent monthly revenue requirement calculations and captured in the next scheduled annual true-up. The Signatory Parties further agree that any change in the revenue requirement resulting from the change in the WACC will not be included in the monthly interest calculation for over- and under-recoveries until the date of the next scheduled annual true up, but in any event no later than October 1 of the subsequent year.

40. The Signatory Parties agree that the Company will file an annual petition ("Annual Filing") in June each year to adjust the EET rate, with a proposed effective date of October 1. Each Annual Filing will contain a reconciliation of its projected EET costs, projected recoveries, and actual revenue requirements for the relevant period, including a break out of expenses, investments, and unamortized investments, in addition to the items set forth in the minimum filing requirements ("MFRs"). The EET rate will be subject to full and complete examination in the context of the Annual Filing. The EET will be subject to adjustment and true-

up through the deferral process, and any required adjustment will be included in the over/under recovered balance.

41. In calculating the monthly interest on net over and under recoveries, the interest rate shall be based on the Company's monthly average short-term debt rate obtained on its commercial paper and/or bank credit lines. The interest amount charged or credited to the EET shall be based on the net average monthly balance. The Company shall accrue simple interest with an annual roll-in at the end of each 12-month period. The interest rate shall not exceed the approved WACC.

42. The impact of this decrease on the bill of a residential heating customer using 100 therms of natural gas in a winter month is a decrease of \$0.28 or 0.2%. Proposed tariff sheets reflecting this EET rate are attached hereto, in black-lined form, as Exhibit B.

43. Following acceptance of this Stipulation by an Order of the Board, South Jersey will submit a Compliance Filing incorporating the EET rate approved by the Board within ten (10) days of such approval.

44. The Parties further acknowledge that a Board Order approving the Stipulation will become effective upon service of said Board Order, or upon such date after the service thereof as the Board may specify, in accordance with *N.J.S.A.* 48:2-40.

#### IV. MISCELLANEOUS

45. This Stipulation represents a mutual balancing of interests and, therefore, is intended to be accepted and approved in its entirety. In the event this Stipulation is not adopted in its entirety by the Board, then any party hereto is free to pursue its then-available legal remedies with respect to all issues addressed in this Stipulation as though this Stipulation had not been signed. It is specifically understood and agreed that this Stipulation represents a negotiated

interim agreement and has been made exclusively for the purpose of this proceeding. Except as expressly provided herein, the Parties shall not be deemed to have approved, agreed to, or consented to any principle or methodology underlying or supposed to underlie any agreement provided herein and, in total or by specific item, is in no way binding upon them in any other proceeding, except to enforce the terms of this Stipulation.

46. Also, all rates are subject to Board audit.

47. This Stipulation may be executed in as many counterparts as there are signatories to this Stipulation each of which counterparts shall be an original, but all of which shall constitute one and the same instrument.

**WHEREFORE**, the Parties hereto do respectfully submit this Stipulation and request that the Board issue a Decision and Order approving it in its entirety, in accordance with the terms hereof, as soon as reasonably possible.

This Rider "N" shall be known as the Energy Efficiency Tracker ("EET"). For financial accounting purposes the Company shall record a return on and a return of investments in energy efficiency programs, as approved by the Board at Docket No. GO09010059, in an Order dated July 24, 2009, Docket No. GO12050363, in an Order dated June 21, 2003, Docket No. GR15010090, in an Order dated August 19, 2015 and Docket No. GO18030350, in an Order dated October 29, 2018 and recover all incremental operating and maintenance expenses of the programs, subject to the EET. The calculation will use the weighted average cost of capital as identified in the respective Orders referenced above.

The EET rate will be calculated annually using projected data and subject to a true-up at the end of the EET year (September 30<sup>th</sup>) with simple interest on net over/under recoveries. Interest associated with over recoveries will be credited against the EET, while interest associated with under recoveries will be charged to the EET. The interest on monthly EET under and over recoveries shall be the interest rate based on the Company's weighted interest rate for the corresponding month obtained on its commercial paper and bank credit lines but shall not exceed the Company's weighted average cost of capital utilized to set rates in its most recent base rate case.

This EET will be effectuated through a volumetric rate applied to customers' bills. The Company shall make an annual EET rate filing in June of each year with a proposed implementation of the revised EET rate in October. Included in the filing will be a list of efficiency programs offered and eligible for recovery under the EET.

The Company shall have the discretion to implement a bill credit or a refund at any time during the EET Year with five (5) days notice to the BPU Staff and the Division of Rate Counsel. The Company shall have the discretion to file a self-implementing EET rate reduction at any time with two (2) weeks notice to the BPU Staff and the Division of Rate Counsel.

Rate Schedules subject to this Rider will be charged the following volumetric rate:
