RE: COMMUNITY SOLAR ENERGY PILOT PROGRAM
BPU Docket Number: QO18060646

Dear Secretary Camacho-Welch:

Pursuant to the order of the New Jersey Board of Public Utilities in the above-referenced matter, revised August 7, 2019, enclosed are bill samples for Residential and Commercial customers of Public Service Electric and Gas Company in the above-entitled matter. Also enclosed, pursuant to that same order, is a spreadsheet setting forth the underlying method of bill credit calculation.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

Matthew Weissman

\$254.30

Please pay by

March 7, 2018

Your energy bill

Bill date: February 21, 2018

For the period: January 20, 2018 to February 19, 2018

Message Center

Gas bill credit! Effective for usage from Jan. 1, 2018 through Feb. 28, 2018, customers receiving BGSS-RSG supply service from PSE&G will receive a bill credit of \$0.15/therm (incl. SUT). A typical residential heating customer receiving supply service from PSE&G, and using a total of 330 therms during this period will see a bill reduction of \$49.50 (about 16.95%). Visit pseg.com/tariffs for more info.

Extreme frigid weather in December and January may have resulted in increased gas usage and higher gas bills. While customers are benefiting from gas bill credits this winter, there are ways to further manage winter heating costs. To learn more, visit pseg.com/saveenergy.

Need help paying your PSE&G bill? The Low Income Home Energy Assistance Program (LIHEAP) application deadline is April 30, 2018. Moderate-income households can apply for PAGE or NJ SHARES year-round. Call 1-800-510-3102, 7 days a week (9 am - 9 pm), visit pseg.com/help, or see the enclosed bill insert for more details.

Total Community Solar Credit			\$	(115.57)

Your Community Solar

Each month you are billed for your monthly usage, and you receive a kWh allocation based on your subscription percentage and the solar facility's monthly generation.

Your monthly allocation is limited to your monthly usage amount. Any credit in excess of your usage will be carried over to a future month's bill.

Annually kWh not applied to prior bills will be credited at the avoided cost of power.
