Jens Gravgaard, of full age, states:

1. I am the Project Development Director of Ocean Wind, LLC ("Ocean Wind") and I am authorized to make this Affidavit on behalf of Ocean Wind.

2. On August 19, 2019, Ocean Wind filed with the New Jersey Board of Public Utilities (the "BPU" or "Board") a Petition for Authorization to Procure Capacity Interconnection Rights (the "Petition").

3. With this Affidavit, Ocean Wind is filing a Public Copy and a Confidential Copy of the Petition. All of the information redacted by Ocean Wind in the Public Copy was redacted because the portions redacted are Trade Secrets of Ocean Wind. The information reveals commercially-sensitive information about strategy for negotiating for and procuring Capacity Interconnection Rights ("CIRs"). Ocean Wind may seek other CIRs in the future and maintaining confidentiality of these Trade Secrets will benefit ratepayers.

4. Specifically, the information redacted consists of practices, processes, commercial methods, or compilations of information not generally known or reasonably ascertainable by others by virtue of which Ocean Wind and its affiliates obtain an economic advantage over their competitors. This is valuable commercial information that provides Ocean Wind and its affiliates with an advantage over competitors who do not have that information, and is not generally available.
