STANDARD TERMS AND CONDITIONS9. DISCONTINUANCE OF SERVICE (Continued)

- 9.3 Public Utilities shall not discontinue residential service except between the hours of 8:00 A.M. and 4:00 P.M. Monday through Thursday, unless there is a safety related emergency. There shall be no involuntary termination of service on Fridays, Saturdays, and Sundays or on the day before a holiday or on a holiday, absent such emergency. The Company shall not discontinue service unless the customer's arrearage is more than \$100.00 or the account is more than three months in arrears. N.J.A.C. 14:3-3A.2(a).
- 9.4 Discontinuance of residential service for nonpayment is prohibited if a medical emergency exists within the premises which would be aggravated by discontinuance of service and the customer gives reasonable proof of inability to pay. Discontinuance shall be prohibited for a period of up to two months when a customer submits a physician's statement in writing to the Company as to the existence of the emergency, its nature and probable duration, and that termination of service will aggravate the medical emergency. Recertification by the physician as to continuance of the medical emergency shall be submitted to the Company after 30 days. However, at the end of such period of emergency, the customer shall still remain liable for payment of service(s) rendered, subject to the provisions of N.J.A.C. 14:3-~~3A.2(i)~~7.7.
- (a) The Board may extend the 60-day period for good cause. ~~Discontinuance of residential service for nonpayment is prohibited for up to 60 days if a medical emergency exists within the residential premises, which would be aggravated by a discontinuance in service, in accordance with N.J.A.C. 14:3-3A.2(i).~~
- (b) The Company may in its discretion delay discontinuance of residential service for nonpayment prior to submissions of the physician's statement required by this subsection when a medical emergency is known to exist.

STANDARD TERMS AND CONDITIONS

11 MUNICIPAL SERVICE

- 11.1 Upon application of duly authorized representatives of municipalities or fire districts in the territory supplied, the Company will install fire hydrants for purposes of public fire protection, at locations agreed upon by the municipalities or fire districts and the Company.
- 11.2 Such hydrants are owned by the company and subject to regular inspection and maintenance by the Company.
- 11.3 Municipalities and fire districts shall pay a monthly charge for municipal service as provided in the applicable Rate Schedule set forth in this Tariff.
- 11.4 Hydrants are not to be used for any purpose, other than public fire protection, without the written permission of the Company.
- 11.5 Municipal fire departments or fire districts should inform the Company promptly of any hydrant which is leaking, or in need of attention so that such hydrant may be placed in readiness for instant operation.
- 11.6 Where it is necessary to use hydrants for any purpose other than public fire protection, a special permit is required, issued by the Company under restrictions imposed in the interest of the public.
- 11.7 Only special hydrant wrenches, approved by the Company shall be used for opening or closing a hydrant.
- 11.8 No attachment of any sort shall be left connected to a hydrant except when it is in actual use. No hydrant shall be left unattended while attachments are connected during the time it is in use. Before closing time each day, the hydrant shall be shut, attachments removed, caps replaced and the hydrant left in readiness for instant use.

STANDARD TERMS AND CONDITIONS12. WATER MAIN EXTENSIONS

- 12.1 Applications for extensions may be made in person, by telephone or by mail, at any Commercial Office of the Company. Upon receipt of such application, the Company will advise the applicant as to the most suitable plan for installing the proposed extension and the probable cost to the customer.
- 12.2 Distribution mains will be extended only in public streets or highways or in new streets or highways, not yet accepted, but which have been laid out according to an accepted plan approved by the appropriate authority to be in public streets or highways. The Company will require an easement in cases where the streets or highways have not been accepted. In no case, however, will distribution mains be installed until streets or highways have been rough graded to an established and approved grade. In the alternative, and at the sole and absolute discretion of the Company, mains may be installed in properly configured and recorded easements with terms acceptable to the Company
- 12.3 Water main extensions will be installed pursuant to agreements which will be prepared in accordance with all applicable laws of the State and Board of Public Utilities regulations and orders including but not limited to those regulations contained in N.J.A.C. 14:3-1, N.J.A.C. 14:3-6, and N.J.A.C. 14:3-8 and N.J.A.C. 14:3-10.
~~Extensions will be installed pursuant to agreements which follow the suggested formulae for the extension of utility service of the Board of Public Utilities of New Jersey applicable thereto.~~
- 12.4 Each extension shall become a part of the distribution system of the Company and shall be owned, maintained and controlled by the Company.
- 12.5 The Company shall have the right to connect additional customers to an extension and to construct further extensions thereto.

STANDARD TERMS AND CONDITIONS

13. GENERAL RULES

- 13.1 The Company reserves the right to install services and meters on the basis of the normal requirements for service. The Company does not undertake to provide service for unduly high rates of water demand prevailing only for short periods of time and reserves the right to refuse to install oversize services or meters to serve such high demands.
- 13.2 The Company will endeavor to provide a regular and uninterrupted supply of water through its facilities, but in case service is interrupted, irregular, defective or fails because of breakdown or emergency, or from causes beyond the control of the Company, the Company will not be liable for damage or inconvenience resulting therefrom.
- 13.3 The Company does not undertake to render any special service or maintain any fixed pressure. In the event of an accident or for other reasons, the Company may shut off the water in its mains and pipes and may restrict the use of water whenever the public welfare may require it. All customers requiring an uninterrupted supply or a uniform pressure of water for steam boilers, hot water or other apparatus, or for any other purpose, shall provide their own means of obtaining such service.
- 13.4 When the supply of water is to be shut off temporarily or curtailed, a notice stating the purpose and probable duration of the shutoff or curtailment will be given to customers affected whenever practicable.
- 13.5 The Company may make rules reasonably designed for compliance with its water diversion or other permits. Such rules may include outdoor water use restrictions such as alternate day or "odd-even" outdoor water use limitations.
- 13.6 The Company does not undertake to supply any uniform quality of water for special purposes, such as dialysis centers, medical/dental offices, adult/child care facilities, manufacturing or processing plants, laboratories, swimming pools, bleaching or dyeing plants or laundries. Customers requiring water of special quality, or water at all times free from discoloration or turbidity, shall provide their own means of treating the water or shall provide such other protection as may be deemed necessary for the purposes required.

STANDARD TERMS AND CONDITIONS

13. GENERAL RULES (Continued)

- 13.7 Neither by inspection approval nor nonrejection, nor in any other way, does the Company give any guarantee, or assume any responsibility, expressed or implied, as to the adequacy, safety or characteristics of any structures, equipment, pipes, appliances or devices owned, installed, or maintained by the customer or leased by the customer from third parties.
- 13.8 Except as to the liability, if any, imposed by law, the Company will not assume responsibility for any injury, casualty, or damage resulting from the supply, or use of water service, or from the presence or operation of the Company's structures, equipment, pipes, appliances or devices on the customer's premises.
- 13.9 No person, unless authorized by the Company, is permitted to turn the water on or off at any hydrant, street valve, corporation stop and curb stop, or other street connection, or tamper with, disconnect or remove, any meter without the consent of the Company. Penalties provided by law for any such action will be rigidly enforced.
- 13.10 No agent, representative or employee of the Company has authority to modify any provision contained in this Tariff or to bind the Company by any promise or representation contrary thereto.
- 13.11 ~~Reserved for future use. Water service supplied by the Company shall not be resold by a customer, except by a duly authorized water utility, and written permission has been provided by the Company.~~
- 13.12 This Tariff is made a part of all agreements for the supply of water service unless specifically modified in a particular Rate Schedule. A copy of the Company's Tariff with terms and conditions will be furnished to any customer upon request.
- 13.13 The Company reserves the right to terminate, change, revise or supplement this Tariff, to the extent permitted by law, or permitted by the applicable regulations of the State regulatory body having jurisdiction.
- 13.14 The Regulations of the New Jersey Board of Public Utilities applicable to water utilities are incorporated herein by reference to the extent that the subject matter of any Regulation has not been covered herein.

welfare may require it and, if necessary, may shut off the water in its mains and pipes. In such cases the Company shall advise its customers by placing a prominent advertisement detailing the conditions and restrictions in a newspaper of general circulation in the utility service area. The notice will state the purpose and probable duration of the restriction or discontinuance. Failure to provide regular and uninterrupted service due to breakdowns is covered under other sections of this tariff.

14.2.2 The Company may restrict water service during certain periods, where the Company advises the Board of Public Utilities, in order to protect the public water supply, or otherwise to comply with any regulations, orders or decrees issued by the Governor of New Jersey or the Department of Environmental Protection pursuant to the Water Supply Management Act. Such interruptions or restrictions shall be reported to the Department of Environmental Protection and the Board by each utility by the speediest means of communications available, followed by a detailed written report, pursuant to the provisions of N.J.A.C. 14: ~~3-3.7(g)~~^{14-1.10}, within one week. Thereafter the utility shall provide weekly reports for the duration of the emergency.

14.2.3 When the supply of water to individual customers is to be shut off or curtailed for failure to comply with emergency water restrictions imposed because of extraordinary demand or diminished supply, the Company shall advise its customers by placing a doortag on the front door of the home of the individual(s) in violation of the restrictions, at least twenty-four (24) hours prior to discontinuance or curtailment, or by giving another form of notice acceptable to the Board. The Company will advise business and commercial customers, in writing, by mailing a notice to the customers' billing address. In the case of doortags, they shall be sequentially numbered and include the date, time and nature of the violation and the procedure for restoration of service. All such notices shall be accounted for by the utility.

STANDARD TERMS AND CONDITIONS (Continued)

15. MULTI-USE SERVICE REQUIREMENTS

By applying for multi-use service, the customer or builder certifies that:

- 15.1. The customer or builder has hydraulically calculated the demand for the customer's or builder's water system, based on the simultaneous domestic demand and fire sprinkler demand. The customer or builder shall make this calculation in accordance with the Uniform Construction Code.
- 15.2. The customer or builder will ensure that the system is installed in accordance with the Uniform Construction Code at N.J.A.C. 5:23.
- 15.3. The customer will, prior to installation of the meter, obtain a construction permit in accordance with the Uniform Construction Code from the enforcing agency having jurisdiction over the system.
- 15.4. By applying for multi-use service, the customer agrees to be responsible for all claims, costs and liability for personal injury, death and/or property damage, resulting from the customer's individual water system, unless caused by the negligence of the water utility.

By applying for multi-use service, and operating the same, the customer agrees:

- 15.5. To include cross connection control device(s) in accordance with the Company's Cross Connection Control Plan.
- 15.6. To be solely responsible for all costs and expenses relating to the installation, operation, maintenance, repair and replacement of the customer's water system, including the fire suppression system and compliance with the Company's Cross Connection Control Plan.
- 15.7. To ensure the customer's water system complies with the applicable requirements of the Uniform Construction Code in effect at the time of system installation, including any applicable building, plumbing and fire protection subcodes.
- 15.8. To ensure that the customer's water system is maintained in accordance with all applicable law so as to protect against backflow, back-siphonage and contamination of the potable water system in accordance with the Company's Cross Connection Control Plan.
- 15.9. A water utility may terminate a customer's multi-use service for non-payment of a valid water bill for multi-use service, in accordance with the Board's rules governing discontinuance of service at N.J.A.C. 14:3-3A.4(j)6.

RATE:

WATER FOR BUILDING OR OTHER TEMPORARY PURPOSE

Metered

Water for building or other temporary purpose will be supplied through meters when feasible and charged for at General Water Service Rate.

See rates for General Water Service, Rate Schedule No. 1, Sheet No. 37 and Sheet No. 38.

Unmetered:

The rates shall be the same as set forth under the General Water Service, Rate Schedule No. 1, on the basis of the Company's estimate of the volume of water to be used. Charges shall be payable in advance.

Special Provisions

Where metered service is provided, a deposit equal to the cost of the meter shall be made with the Company. The meter shall be kept safe and accessible during its use. The deposit, less the cost of repairs to the meter, if any, will be returned to the applicant by the Company after surrender of the meter and payment of all charges for water supplied through it.
