Dear Madam Secretary:

The undersigned as counsel for SunPower Corporation, the petitioner in the above-referenced matter, has received a copy of the Motion to Intervene dated October 28, 2019 of Public Service Electric and Gas Company ("PSE&G"). As noted in the Petition, PSE&G is the electric utility serving the customer for which the petitioner will build the solar generation project for which declaratory relief is sought. Accordingly, SunPower Corporation has no objection to PSE&G's Motion to Intervene.

Respectfully submitted,
