IN THE MATTER OF THE BOARD OF PUBLIC UTILITIES OFFSHORE WIND SOLICITATION FOR 1,100 MW – EVALUATION OF THE OFFSHORE WIND APPLICATIONS : BPU DOCKET NO.: QO18121289 : AFFIDAVIT OF JENS GRAVGAARD

Jens Gravgaard, of full age, states:

1. I am the Project Development Director of Ocean Wind, LLC (“Ocean Wind”) and I am authorized to make this Affidavit on behalf of Ocean Wind.

2. On November 6, 2019, Ocean Wind filed with the New Jersey Board of Public Utilities (the “BPU” or “Board”) its Response to Clarifying Questions Set (Round 2) No. 2, Pertaining to Ocean Wind’s Petition for Approval (the “Response”).

3. With this Affidavit, Ocean Wind is filing a Public Copy and a Confidential Copy of the Response. All of the information redacted by Ocean Wind in the Public Copy was redacted because the portions redacted are Trade Secrets of Ocean Wind. The information reveals commercially-sensitive and technical information about Ørsted’s approach to engineering, design and laying out a wind farm; and selection of a turbine. If competitors of Ørsted had this information they could more effectively compete against Ørsted. All of this information would assist competitors in bid development. In addition, we have provided confidential information obtained from our suppliers. If publicly disclosed this might have a chilling effect upon suppliers providing information or possibly making some reluctant to deal with us. This could cause significant financial harm to Ørsted.

4. Specifically, the information redacted consists of practices, processes, commercial methods, financial planning, regulatory processing, engineering and design, or compilations of information not generally known or reasonably ascertainable by others by virtue of which Ocean

Wind and its affiliates obtain an economic advantage over their competitors. This is valuable commercial information that provides Ocean Wind and its affiliates with an advantage over competitors who do not have that information, and is not generally available.

5. These Trade Secrets are exempt from disclosure under the Open Public Records Act, N.J.S.A. 47:1A-1 et seq. and the Board's regulations at N.J.A.C. 14:1-12.1(b).

6. The information redacted from the Public Copy should remain confidential until Ocean Wind agrees otherwise.
