RATE SCHEDULE 1
SEWER SERVICE

APPLICABILITY

Applicable for general flat rate residential, commercial, industrial and municipal sewer service to customers served by the Company. The charge for sewer service shall consist of a Fixed Service Charge per Equivalent Dwelling Unit.

FIXED CHARGE – SEWER CUSTOMERS

All sewer service customers shall pay a fixed charge as indicated below, without deductions for temporary vacancy or unoccupancy, based on the number of Equivalent Dwelling Units (EDU) assigned to the customer.

RATE PER QUARTER

\$173.93

EQUIVALENT DWELLING UNITS (EDU)

An EDU represents the annual volume of wastewater contributed to the sewer system by a typical single family home and is equivalent to or less than 77.44 thousand gallons per year. Single family homes and townhomes are each assigned one EDU. The number of EDU for all other customers has been established based on the actual water consumption recorded for calendar year 2015, divided by 77.44 thousand gallons per year per EDU. The volume of wastewater use is assumed to equal water meter registration.

CHARACTER OF SERVICE

Continuous, except as limited by the "Standard Terms and Conditions."

TERMS OF PAYMENT

Valid bills for sewer service furnished under this schedule will be rendered quarterly in advance and are due fifteen (15) days from the date of the postmark on the envelope in which the bill was transmitted.

Whenever service is established or is discontinued, all applicable fixed charges shall be prorated to the date of establishment or discontinuance of service.

2. In all other cases, the adjustment shall be such percentage as the meter is found to be in error at the time of test on one-half of the total amount of the billing affected by the fast meter adjusted to 100 percent since the previous test, but not to exceed a period of six years for water meters subject to testing by an approved scientific sampling technique.

(b) No adjustment shall be made for a period greater than the time during which the customer has received service through the meter.

(c) No adjustment shall be made for a meter that is found to be registering less than 100 percent except in the case of meter tampering, non-registering meters, or in circumstances in which the customer should reasonably have known that his bill did not reflect his usage.

6. CUSTOMER BILLS

7.1 Meters will be read quarterly and customers will be billed quarterly, at the Company's option, for all water consumed during the previous period, in accordance with the Company's filed rates, and such bills are due and payable in full within fifteen (15) days from the date rendered.

7.2 Each Consumer is subject to a customer charge, the amount of which is determined by the size of the meter as set forth in the Rate Schedule No. 1.

7.3 When water is turned on or off during a billing period, the customer charge will be pro-rated according to the number of days when service was available. The applicable reconnection charge will be billed and paid before service will be restored.

8. CUSTOMER DEPOSITS

8.1 The Company reserves the right to require a deposit. The amount of said deposit shall be reasonably related to the probable charge for service during a billing period, this period to include the average time required for collection after bills are rendered.

8.2 (a) Upon a customer closing an account the balance of any deposit remaining after the closing bill for service has been settled shall be returned promptly to the depositor with interest due.
