

**Community Solar Energy Pilot Program  
Extension Request Form: Start of Construction**

Pursuant to the New Jersey Board of Public Utilities' ("Board") Rules at N.J.A.C. 14:8-9.3(c)7, community solar projects are required to begin construction within six months of their approval by the Board. Board staff may approve one or more two-month extensions if substantial progress is shown towards beginning construction within the initial six-month period, as determined upon review by Board staff and depending on the specific circumstances of the project.

In order to request an extension of the deadline to start construction, please complete this form in full and submit it via email to BOTH of the following email addresses: [board.secretary@bpu.nj.gov](mailto:board.secretary@bpu.nj.gov) and [communitysolar@njcleanenergy.com](mailto:communitysolar@njcleanenergy.com).
