MOTION FOR LEAVE TO INTERVENE AND NOTICE OF APPEARANCE

The Secretary of Defense, through duly authorized counsel and on behalf of the consumer interests of the United States Department of Defense and all other Federal Executive Agencies (collectively, “DOD/FEA”), hereby petitions the New Jersey Office of Administrative Law for leave to intervene in the above-captioned proceeding. This Motion is filed pursuant to NJAC § 1.1-16.1. Undersigned counsel also hereby enters a notice of appearance. In support of its Motion, DOD/FEA states as follows:

I.

DOD/FEA is duly authorized to make and file this Motion.

II.

This proceeding was initiated on or about February 18, 2020.

III.

This Motion is timely filed in accordance with NJAC § 1:1-16.2(a) and (c).

IV.

DOD/FEA has direct, significant, and substantial interests that may be affected by this proceeding. Jersey Central Power & Light Company (“JCP&L”) provides electric service to Picatinny Arsenal, a United States Army installation, to Joint Base McGuire-Dix-Lakehurst (“JBMDL”), and to Naval Weapons Station Earle. Picatinny Arsenal provides products and services to all branches of the military and is the Army’s leading facility for the research, development, acquisition and lifecycle management of advanced conventional weapon systems and ammunition. DOD/FEA also owns, operates, and maintains other installations and facilities in New Jersey that obtain electric service from JCP&L and may be adversely impacted by the outcome of this proceeding.

V.

DOD/FEA’s advocacy on behalf of Federal customers will promote the proper disposition of the issues to be determined. DOD/FEA will work within all deadlines in the procedural schedule and will not impede the timely completion of this docket.

VI.

DOD/FEA’s interests cannot be adequately represented or protected by any other party. The load factor, characteristics, and rate schedules upon which DOD/FEA installations and facilities obtain electric service make their usage and needs distinct from other large customers. DOD/FEA’s interests will be substantially, specifically, and directly affected by the outcome of this proceeding. DOD/FEA will present relevant and proper testimony and evidence bearing upon the issues involved in this proceeding. DOD/FEA’s testimony and evidence will be of value to the OAL in its determination of the issues and DOD/FEA’s participation in this proceeding will add measurably and constructively to the scope of the case.

VII.

DOD/FEA's intervention and participation will not unreasonably broaden the issues, burden the record, unduly affect the rights of participating parties, or unreasonably delay the proceeding.

VIII.

All communications and pleadings for this proceeding should be directed to:

Respectfully submitted,

Kenneth J. Hanko, on behalf of the

and all other Federal Executive Agencies
