Subject: Government Energy Aggregation Submittal – City of Hoboken Energy Aggregation Program Pursuant to N.J.A.C. 14:4-6.6(j)
Docket No. EO20030275

Dear Secretary Camacho:

The City of Hoboken participates in a government energy aggregation program known as the City of Hoboken Energy Aggregation Program, or CHEAP. The municipality is served by PSE&G.

The individual responsible for the submission of this document is:

Ms. Tara Pasca, CEP
Concord Energy Services
Manager, Energy Services Government Programs
(856) 427-0200
520 S. Burnt Mill Road
Voorhees, NJ 08043
tpasca@concord-engineering.com

The following individual from the municipality has been designated by the municipality's governing body with respect to matters related to the government energy aggregation program:

Ms. Jennifer S. Gonzalez, AICP, PP, CFM, ENV SP, LEED GA
City of Hoboken
Director of Environmental Services, Chief Sustainability Officer
(201) 420-2000 x4000
94 Washington Street
Hoboken, NJ 07030
jgonzalez@hobokennj.gov

As required by N.J.A.C. 14:4-6.6(j), the City advertised for the receipt of bids and an auction was held on August 19, 2020. Based on the bids received at the time of auction, the City determined that it was not in the best interest of the residents to make an award at this time.

This government energy aggregation program was limited to residential only for electric; the City estimated that there are 26,855 eligible customers.

Any future auctions for this government energy aggregation program will be scheduled in accordance with N.J.A.C. 14:4-6.

Best regards,

Tara Pasca

Tara Pasca
Manager, Government Programs
