Approval of its Clean Energy Future-Electric Vehicle and Energy Storage  
("CEF-EVES") Program on a Regulated Basis**

**BPU Docket No. EO18101111**

Dear Secretary Camacho-Welch:

Please note the following errors in the caption on the first page of Kathleen Harris's Testimony on behalf of the Environmental Intervenors submitted on September 4, 2020. The attorney name (and email address) listed has been corrected to be Daniel Greenhouse ([dgreenhouse@easternenvironmental.org](mailto:dgreenhouse@easternenvironmental.org)). In addition, the caption has been corrected to identify this proceeding as before the Board of Public Utilities, Energy Division, Commissioner Chivukula and under BPU Docket #EO18101111.

Attached is a revised version of the Testimony correcting these two errors (and changing the date to today, September 11, 2020).

This revised version of the Testimony is being provided in PDF format with the two Exhibits (KAH-100 and KAH-101) submitted on September 4, 2020, now both in PDF format. This Errata Letter, the revised version of the Testimony, and the two Exhibits are being provided to all parties on the service list by electronic mail only. **Please acknowledge receipt of these documents.**

Respectfully submitted,

/s/ Daniel Greenhouse
