

PSEG Nuclear, LLC
ZEC 2 – Salem I
Docket No: ER20080557

Response to Discovery Request: SI-SSA-0009
Date: 10/1/2020

Question:

An updated version of the data specific to the Unit provided to the Nuclear Energy Institute (“NEI”) and the Electric Utility Cost Group (“EUCG”) when responding to their latest survey.

Attachments Provided Herewith: YES - CONFIDENTIAL

Response:

Please see the attached confidential document that includes downloads from the Electric Utility Cost Group (“EUCG”) website as well as a reconciliation tying our submittal to our accounting system. Salem data is entered into the EUCG database for both units at the site level, not by individual unit. EUCG provides industry data to NEI for their analysis.
