

PSEG Nuclear, LLC
ZEC 2 – Salem II
Docket No: ER20080558

Response to Discovery Request: SII-ZECJ-FIN-0013
Date: 10/1/2020

Question:

Provide all revenue projections with accompanying revenue sources over the next five (5) years, including, but not limited to, revenues related to:

- a. Unit-specific hedges to mitigate market exposure of the Unit;
- b. Capacity market revenues at the locational clearing price for the Unit in the Base Residual Auction regardless of whether the Unit cleared in the PJM capacity market auction;
- c. Energy market revenues, including relevant underlying fuel price forecasts and relevant PJM forward power market curves; and
- d. Contracts outside the PJM markets.

Attachments Provided Herewith: YES - CONFIDENTIAL and NON-CONFIDENTIAL

Response:

See attached the confidential attachment that includes the next five years revenues for energy, capacity, and ancillary. Also, attached details as related to sub-questions (a)-(c):

- a. See confidential attachment.
- b. See confidential attachment.
- c. See confidential attachment.
- d. PSEG projects no revenues from contracts outside of the PJM market relating to Hope Creek's, Salem 1's, or Salem 2's operations.

Responses to questions regarding actual or forecasted revenues do not include actual or forecasted ZEC payments for the first eligibility period or any future periods that have not yet been awarded.
