In the Matter of the Petition of New Jersey-American Water Company, Inc. Distribution System Improvement Charge ("DSIC") Foundational Filing  
OAL Docket No. PUC 04828-2020  
Agency Docket No. WR20030256

Dear Judge Gertsman:

This firm represents Petitioner New Jersey-American Water Company, Inc. (the "Company") in the above-referenced proceedings. As discussed during the status conference call held on June 19, 2020, the Company and the other parties to these proceedings jointly request that the Company's pending rate case (PUC 17894-2019 S) and the Company's pending DSIC foundational filing (PUC 04828-2020) be consolidated and considered under a common record. Consolidating the rate case and DISC foundational filing proceedings and considering them on a common record would promote overall efficiency and economy in administration in both proceedings.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,
