Re: IN THE MATTER OF THE COMMUNITY SOLAR ENERGY PILOT PROGRAM IN THE MATTER OF THE COMMUNITY SOLAR ENERGY PILOT PROGRAM YEAR 2 APPLICATION FORM AND PROCESS - DOCKET NO. QO18060646 AND DOCKET NO. QO20080556

Dear Secretary Camacho-Welch:

In the Order dated October 2, 2020 in the referenced docket, the Board directed the New Jersey electric distribution companies to “provide updated bill credit calculations and sample bills to Staff no later than October 30, 2020, for posting to the community solar webpage on the NJCEP website.”

Please be advised that, due to an administrative oversight, the delivery of Public Service Electric and Gas Company’s updated bill credit calculations to Board Staff was delayed. I can confirm that delivery of the updated bill credit calculations was made to Board Staff by electronic mail earlier today.

Please don’t hesitate to contact me if you have any questions regarding the foregoing.

Sincerely,

A handwritten signature in blue ink that reads "Joseph A. Shea, Jr." in a cursive style.

Joseph A. Shea, Jr.
