Re: **In the Matter of the Implementation of P.L. 2018, C.17 Regarding the Establishment of Energy Efficiency and Peak Demand Reduction Programs BPU Docket No. QO19010040**

**In the Matter of the Petition of South Jersey Gas Company for Approval of New Energy Efficiency Programs and Associated Cost Recovery Pursuant to the Clean Energy Act
BPU Docket No GO20090618**

Dear Commissioner Chivukula:

After conferring with the parties to this proceeding, by this letter, South Jersey Gas Company is requesting that the procedural schedule in this case be suspended, including the deadline for the filing of Intervenor/Rate Counsel testimony. While we are still in the process of settlement discussions, we are optimistic that this matter will be resolved without the need for further litigation. The parties respectfully reserve their rights to request a further procedural schedule in the event one is required.

Thank you for your consideration of this request.

Please let us know if you have any questions or require further information.

Respectfully,

Deborah M. Franco
