4. The Board of Public Utility's decision in this proceeding is likely to have precedential effect and impact not only the Petitioner herein and its customers, but also New Jersey's other electric utilities. The electric vehicle and associated cost recovery issues that will be addressed in this case may have an impact on PSE&G by establishing precedent. PSE&G will therefore likely be directly and specifically affected by the relief provided herein.

5. The service territories, customers, and the operations of PSE&G are distinct from those of other parties and participants in this case. Thus, no other party or participant will represent the interests of PSE&G in this case.

6. PSE&G has a history of coordinating its activities in dockets at the New Jersey Board of Public Utilities with those of other utilities where appropriate. PSE&G will coordinate its representation with other similarly-situated parties or participants in this docket to the extent appropriate.

7. Due to PSE&G's experience in the electric industry, its participation in this proceeding is likely to add constructively to the proceeding.

8. PSE&G will abide by the schedule set for this proceeding, to the extent one has been entered.

9. The granting of this Motion will not cause undue delay or confusion.

WHEREFORE, PSE&G respectfully requests an Order: (1) granting it rights as a Participant in this matter pursuant to *N.J.A.C.* 1:1-16.6, and (2) providing such further relief in connection therewith as is deemed reasonable, just, and consistent with the foregoing.

Respectfully submitted,
