RELIABILITY & SECURITY

IN THE MATTER OF REVISED SECURITY BEST) ORDER
PRACTICES FOR ALL PUBLIC UTILITIES)
AND CABLE TELEVISION COMPANIES) DOCKET NO. AO04070733

SERVICE LIST ATTACHED

BY THE BOARD:

In the wake of the terrorist attacks on September 11, 2001, the State of New Jersey has found it necessary to develop standard utility industry security practices. On December 11, 2001, the Board of Public Utilities ("Board") ordered all public utilities and cable television companies subject to its jurisdiction to implement preliminary utility security protocols and best practices ("Best Practices"). Those preliminary protocols and best practices have now been superseded by revised security Best Practices and Recommended Response Protocols to the Homeland Security Advisory System ("Security Documents") which were developed through the New Jersey Domestic Security Preparedness Task Force and approved for implementation by the Governor. Copies of these documents have been provided to each public utility and cable television company on a confidential basis.

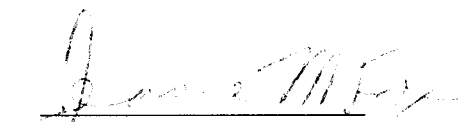

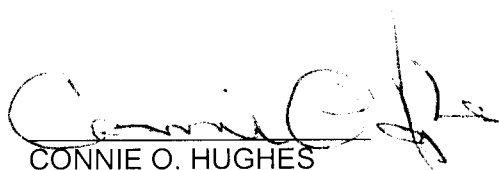

Pursuant to the broad powers over public utilities and cable television companies vested in the Board of Public Utilities by N.J.S.A. 48:2-1 et seq. and N.J.S.A. 48:5A-1 et seq., the Board HEREBY ORDERS:

- 1) That the Best Practices referenced in the Board's December 11, 2001 Order are superseded by the Security Documents referenced herein.
- 2) That each public utility and cable television company subject to the Board's jurisdiction shall forthwith implement the Security Documents for their respective industry group as well as all subsequent amendments, revisions, deletions and corrections which the New Jersey Domestic Security Preparedness Task Force may approve insofar as they relate to utilities and cable television companies subject to the jurisdiction of the Board.
- 3) That the Security Documents shall be deemed confidential documents and be maintained in a secure fashion. The Security Documents shall not be made available to the general public in any fashion without the express order of the Board or as otherwise required by law.

This Order shall take effect immediately and shall remain in effect unless and until explicitly revoked or superceded by the Board.
