**Re: In the Matter of the Joint Petition of Comcast of Hopewell Valley, Inc. and
Comcast of Mercer County, LLC for Approval of a Merger
BPU Docket No. CM16090907
Our File No. 41000.1000**

Dear Ms. Gilbert:

We write on behalf of Comcast of Hopewell Valley, Inc. (“CoHV”), Comcast of Mercer County, LLC (“CoMC”), and their indirect parent company Comcast Cable Communications, LLC (together with CoHV and CoMC, “Comcast” or the “Company”) in order to confirm Comcast’s interest in completing the merger between CoHV and CoMC referenced in the caption above.

Since the filing of the Comcast’s initial Petition in this matter on September 23, 2016, Comcast filed an Amended Petition on October 25, 2017 and has responded to several rounds of discovery requests. Most recently, Comcast sent discovery responses to Deputy Attorney General Matko Ilic, with copies provided to the Secretary of the Board of Public Utilities (the “Board”) and to you and your Office, on September 10, 2021.

Comcast believes that the Board has all of the information required to approve the merger and, as indicated previously, Comcast remains committed to the merger’s completion.

Please direct any communications concerning this matter to the undersigned. It would be appreciated if you would kindly confirm receipt via email.

Very truly yours,

Dennis C. Linken
