Re: In the Matter of The Implementation of L.2018, C.16 Regarding the
Establishment of Zero Emission Certificate Program For Eligible Nuclear Plants
BPU Docket No. EO18080899

In the Matter of the Petition of Rockland Electric Company for Approval of a Zero
Emission Certificate Recovery Charge, BPU Docket No. EO21101188

Dear Acting Secretary Diaz:

Rockland Electric Company ("RECO" or "the Company") hereby submits for filing with the New Jersey Board of Public Utilities (the "Board") 3rd Revised Leaf No. 61 reflecting revisions to its Schedule for Electric Service, B.P.U. No. 3 – ELECTRICITY. This leaf is issued April 14, 2022 to become effective May 1, 2022.

This filing is made in compliance with the Board's Order Approving a Modified Zero Emission Certificate Recovery Charge Tariff dated April 6, 2022 (the "April Order"), in the above-referenced dockets. The April Order approved a change in the Zero Emission Certificate ("ZEC") Reconciliation Charge component of the ZEC Recovery Charge from a credit of 0.0163 cents per kWh to a credit of 0.0255 cents per kWh, including New Jersey Sales and Use Tax ("SUT"). The resulting ZEC Recovery Charge is a decrease from the current charge of 0.4102 cents per kWh, including SUT, to a charge of 0.4010 cents per kWh, including SUT.

Please note that the Company is making this filing solely in electronic form pursuant to the Board's directive in its Emergency Order dated March 19, 2020 in BPU Docket No. EO20030254.

Questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Respectfully,

/s/

William A. Atzl, Jr.
Director – Rate Engineering

GENERAL INFORMATION

No. 37 ZERO EMISSION CERTIFICATE (“ZEC”) RECOVERY CHARGE

The Zero Emission Certificate Recovery Charge (“ZEC Charge”) provides a charge for the recovery of costs associated with the Zero Emission Certificate Program directed by the Board of Public Utilities (“BPU” or “Board”) as detailed below. The ZEC charge is applicable to the kWh usage of any Full Service Customer or Retail Access Customer served under this Schedule.

	Excluding SUT (¢ per kWh)	Including SUT (¢ per kWh)
ZEC Charge	0.4000	0.4265
ZEC Reconciliation Charge	<u>(0.0239)</u>	<u>(0.0255)</u>
Total ZEC Charge	0.3761	0.4010

Pursuant to the BPU’s Zero Emission Certificate Charge Order dated November 19, 2018 in Docket No. EO18091005, the Board approved the implementation of a non-bypassable, irrevocable ZEC Charge of \$0.004000 per kWh for all customers. The ZEC Charge reflects the emission avoidance benefits of the continued operation of selected nuclear plants as determined in L. 2018, c.16 (the “ZEC Law”). The ZEC Charge has been set at the rate specified in the ZEC Law and may be adjusted periodically by the Board, in accordance with the methodology provided for in the ZEC Law.

In accordance with the ZEC Law, the proceeds of the ZEC Charge will be placed in a separate, interest-bearing account and will be used solely to purchase ZECs and to reimburse the Board for its reasonable, verifiable costs incurred to implement the ZEC program. Refunds will be provided to the customers served under each of the Company’s service classifications in proportion to the ZEC Charge revenues contributed by the service classification.

The ZEC Charge will become effective upon the issuance of the April 2019 Board Order in Docket No. EO18091005.

ISSUED: April 14, 2022

EFFECTIVE: May 1, 2022

ISSUED BY: Robert Sanchez, President
