**Borough of Butler Electric Utility
BPU No. 1 Electricity
Rate Schedule No. 7
Sales and Use Tax
Zero Emission Certificate Charge**

In accordance with P.L. 1997, c. 162, all charges for electricity supplied are subject to the New Jersey Sales and Use Tax ("SUT") as computed by multiplying the charges that would apply before application of the SUT by 0.06625

The New Jersey Board of Public Utilities issued a Zero Emission Certificate (ZEC) Charge Order in connection with BPU Docket No. EO18080899 and EO21111214 authorizing implementation of a non-bypassable, irrevocable charge of .004 dollars per KWH. The ZEC charge reflects the emission avoidance benefits of the continued operation of selected nuclear plants.

Also in accordance with the ZEC Law, the proceeds of the ZEC Charge are placed in a separate, interest-bearing account and will be used solely to purchase ZECs. Refunds will be provided to the customers served under each of the Company's rate schedules in proportion to the ZEC Charge revenues contributed by the rate schedule. The ZEC Reconciliation Charge for the period beginning May 1, 2022 will be -\$0.000083 per kilowatt-hour (w/o SUT).

ZERO EMISSION CERTIFICATE RECOVERY CHARGE:

Return of Excess Collections	<u>(\$ 0.000083)</u>
Total Charge	\$ 0.003917

The ZEC Charge shall be applied to the KWH usage on the bills of all customers outside of the Borough of Butler served under this schedule.
