Re: In the Matter of Declaring Transmission to Support Offshore Wind a Public Policy of the State of New Jersey, BPU Docket No. QO20100630.

Dear Acting Secretary Diaz,

LS Power Grid Mid-Atlantic, LLC ("LS Power") respectfully requests that the Board accord confidential treatment to its responses to Clarifying Questions Set 1 dated May 27, 2022 in the above docket due to the confidential and proprietary information contained therein. Such information is not made available to the public. General dissemination of the information marked confidential would harm the position of LS Power in the marketplace as it would provide its competitors with financial data and other proprietary information critical to their ability to do business in the state. Further, LS Power requests that the files marked confidential be perpetually held as confidential due to the presumed perpetual existence of its business.

In accordance with N.J.A.C. 14:1-12.8(b), an affidavit attesting to the truth and accuracy of the confidential files is attached to this correspondence. Lastly, pursuant to N.J.A.C. 14:1-12.4, 12.5, LS Power hereby designates the following individual to receive all notices and correspondence regarding this submission:

Lawrence Willick
Executive Vice President, Transmission Regulatory
16150 Main Circle Drive, Suite 310
Chesterfield, MO 63017
