Trenton, New Jersey 08625-0350

Re: In The Matter of the New Jersey Board of Public Utilities' Response to the Covid-19 Pandemic, BPU Docket No. AO20060471

Dear Acting Secretary Diaz:

Enclosed please find Public Service Electric and Gas Company's ("PSE&G") quarterly report of COVID-19 related costs for the period of April 1, 2022 through June 30, 2022. This report is being filed in accordance with the Board's July 2, 2020 order in the above-referenced proceeding. By way of the attached report, PSE&G provides an update to its COVID-19 related costs for the aforementioned period. The report also takes into account confirmed savings realized as a result of the COVID-19 shutdown that will not be offset by additional expenditures in the future, and offsets attributable to federal/state aid obtained as a result of COVID-19. In addition, carrying costs have been included in the COVID-19 Net Incremental Costs for this quarter as well as for all previously reported Net Incremental Costs, reflecting PSE&G's incremental financing costs incurred as a result of these unrecovered Incremental Costs Less Savings.

PSE&G incorporates by reference the background narrative and incremental cost category/savings and cost offset details included in its initial quarterly report as if it is set forth in full herein.

Furthermore, as directed by the Board's September 14, 2021 Order, the Company has included, as part of its quarterly report, data regarding the number of Deferred Payment, Arrangements created each month, Fresh Start recipients, funds received through existing state and federal programs (i.e. LiHEAP and USF), new hires related to addressing COVID-19 arrearages, number of field collection visits, and number of disconnections and reconnections by zip code or city for June 2022 as well as appropriate year-to-date figures as of the end of the above-referenced quarter. Please be advised that PSE&G has also been submitting this information to the Board Staff on a monthly basis.

Lastly, in accordance with the Order in Docket No. EO20030254, dated March 19, 2020, the Company hereby submits this filing via electronic delivery only to the Board Secretary, and will suspend submitting such filings as paper documents until the Board directs otherwise.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Danielle Lopez", written over a light blue circular stamp.

Danielle Lopez
