Dear Acting Secretary Diaz,

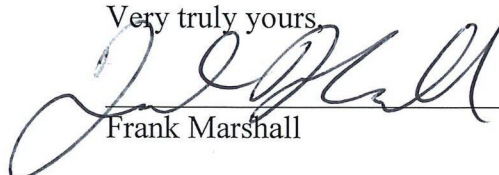

The purpose of this correspondence is to respectfully request that the New Jersey State League of Municipalities be added back onto the service list for all communications regarding the above-captioned matter. It appears beginning from the issuance of the August 15, 2022 Order Ruling on Motions and Modifying the Procedural Schedule, the League has been left off the service list. I believe this was done in error, but if it was done for some other reason I kindly request an explanation for the League's removal.

I will also note that previous service list, which the League was included on, contained the incorrect contact information. The correct service contact for the League should be:

Frank Marshall, Associate General Counsel  
New Jersey State League of Municipalities  
222 W. State Street  
Trenton, NJ 08608  
[FMarshall@njlm.org](mailto:FMarshall@njlm.org)

I thank you for your attention to this matter.

Very truly yours,

Frank Marshall
