Re: South Jersey Industries
BPU Docket No. QO22070454
TREC Application Number NJSTRE1547259033

Dear Acting Secretary Diaz,

On behalf of our client, South Jersey Industries, we filed a petition on July 22, 2022 pursuant to N.J.A.C. § 14:1-1.2 seeking a 6 month extension of the July 22, 2022 TREC deadline for their Green Lane Office project. Our client just informed us that they received the full permission to operate ("PTO") for the project last Friday, September 2, 2022, and are now operating the solar panel system. Therefore, only a 6 week extension of the July 22, 2022 deadline is needed rather than 6 months. Please consider this letter to be an amendment of our original petition.

Please do not hesitate to contact me if you have any questions. Thank you for your time and consideration and we look forward to our future correspondence.

Very truly yours,

Murray E. Bevan
