RE: In the Matter of the Petition of Rockland Electric Company for Approval of Its
Energy Efficiency Program and Peak Demand Reduction Programs, Docket No.
EO20090623
Request for Extension to Submit Annual Report

Dear Acting Secretary Diaz:

Rockland Electric Company (“RECO” or “the Company”) requests an extension to submit its annual report by October 17, 2022.

Per discussions with BPU Staff and Rate Counsel, the New Jersey electric and gas utilities, have been instructed to submit a request for an extension in order to finalize the first EE utility annual report template. The reports will be submitted 30 days after finalization of that template.

Respectfully submitted,

Margaret Comes
