DOCKET NOS. QO19010040 & GO20090618**

Dear Acting Secretary Diaz:

Elizabethtown Gas (“ETG”) and South Jersey Gas (“SJG”) (collectively “the Companies”) submit this letter to inform the Board that the Companies in conjunction with the other New Jersey natural gas and electric utilities will submit the first Annual Progress Report – Energy Efficiency Programs on October 17, 2022 not the original date of September 13, 2022. The date is based on discussions with and agreement from Staff and Rate Counsel that the report would be submitted 30 days after the finalization of the first energy efficiency utility annual report template.

If you have any questions, please feel free to contact me directly.

Respectfully,

A handwritten signature in black ink that reads "Deborah M. Franco".
