BOARD OF PUBLIC UTILITIES
TRENTON, NJ

DEAR ACTING BOARD SECRETARY,
CARMEN DIAZ.

I AM WRITING IN REFERENCE
TO PETITION REGARDING PUBLIC
HEARINGS FOR OCEAN WIND, LLC /
DOCKET NUMBER Q022050347.

THIS IS MY PUBLIC COMMENT
CONCERNING OCEAN WIND, LLC. THE
NEGATIVES FAR OUT WEIGH THE
BENEFITS INSTALLING WIND
FARMS OFF THE SOUTH NEW
JERSEY COAST. THEY ARE
GOING TO DIG A TRENCH
18 FOOT DEEP, 12 FEET
WIDE, 15 MILES IN LENGTH,
HOW COULD THAT MUCH OCEAN
FLOOR DESTRUCTION BE BENEFICIAL
THIS IS AN EXPERIMENT THAT SHOULD
NOT HAPPEN ON THIS LARGE
SCALE. THESE WIND MILLS WILL
NOT LOWER MY ELECTRIC BILL.

PAGE 2

THIS ENTIRE PROJECT IS
TO BENEFIT CORPORATE GREED.
IT'S ALMOST CANNABLE THE
ARROGANCE THAT THIS COMPANY,
OCEAN WIND, LLC THINKS THE
ATLANTIC OCEAN WILL NOT
DESTROY THESE WASTE OF TAX
DOLLARS TO BUILD GIANT WIND
MILLS IN THE ATLANTIC OCEAN.

PLEASE SHOW ME A VALID
ENVIRONMENTAL IMPACT THAT
HAS DONE CONCERNING THIS MATTER?

SOME FISH WILL TAKE UP
RESIDENCE AROUND THESE WIND
FARMS, BUT FLAT FISH (Summer
Flounder) DO NOT LIKE THE
ELECTRIC MAGNETIC ENERGY
THAT IS GIVEN OFF BY THESE
WIND FARMS. COUNTRIES SUCH
AS DENMARK DESTROYED
THEIR FLAT FISHERIES WITH OCEAN
WIND FARMS.

PAGE 3

How ABOUT THE IMPACT ON
WHALES THIS WILL TAKE ITS TOLL
ON ?

How ABOUT THE NAVIGATIONAL
HAZARDS CREATED BY THESE OCEAN
WIND MILLS ? IT'S GOING TO
BE A NAVIGATIONAL NIGHTMARE
FOR SHIPS TO NAVIGATE IN
STORMS THROUGH THESE WIND MILLS

OCEAN WIND, LLC IS EVEN
TRYING TO MAKE LAW WHERE YOU
CAN'T EVEN FISH NEAR THESE
WIND MILLS.

THE WHOLE IDEA IS GREED AT
ITS HIGHEST LEVEL.

RESPECTFULLY SUBMITTED

VICTOR GANO
