**Re: Borough of Fair Lawn
Services Agreement for the Maintenance and Repair of the Borough of Fair Lawn's
Water Storage Tanks
Application for Approval of Services Agreement – Review Extension Approval**

Dear Messrs. and Madams:

As noted in our October 3, 2022 Application for Approval of the above referenced Services Agreement, this office serves as legal counsel to the Borough of Fair Lawn (the "Borough"). Please accept this as a consent to the New Jersey Board of Public Utilities' ("NJBPU") request to extend its statutorily authorized review timeframe by several days to December 7, 2022.

The NJBPU, via electronic email dated October 11, 2022 has requested that the Borough consent to the extension of the NJBPU's review timeframe by several days to accommodate the timing of the NJBPU's Board of Commissioners meeting scheduled for December 7, 2022. The Borough consents to this extension of time. If the LFB intends to consider the Application for Approval at its December 14, 2022 monthly meeting, then the City also consents to an extension of the LFB's statutory review period to December 14, 2022.

Lastly, and as previously noted in our initial Application for Approval submission the Borough would like to achieve the following schedule with respect to the review and approval of Services Agreement:

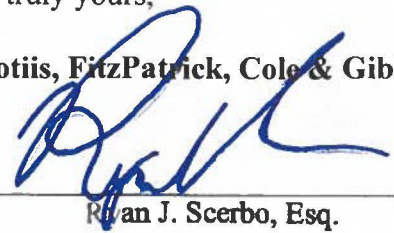

| Review, Approval and Execution Schedules | | |
|---|--------------------------------|-------------------------------------|
| | Task | Date |
| 1 | Submit Application to Agencies | 10/3/22 |
| 2 | Obtain Agency Approval | 12/14/22 (LFB) and 12/7/22 (BPU) |
| 3 | Second Reading of Ordinance | 12/22 |
| 4 | Execution of Amendment | 12/22 |

Thank you for your attention to this matter. Should you have any questions, or should you require any additional information, please do not hesitate to contact me directly.

Very truly yours,

DeCotiis, FitzPatrick, Cole & Giblin, LLP
