Docket: EO20030203 – Investigation of Resource Adequacy Alternatives
Subject: Sierra Club Comments on Staff's 2022 Progress Report on New Jersey's Resource Adequacy Alternatives

Dear Acting Secretary Diaz:

The Sierra Club appreciates the opportunity to submit these comments to the New Jersey Board of Public Utilities (BPU) in response to its September 22, 2022 Notice in the above-captioned proceeding. Sierra Club is a national organization with more than 60 chapters and over three million members and supporters. Sierra Club has previously filed comments in this proceeding to advocate for its members' interests in an affordable and equitable clean energy transition.

Thank you for your consideration of the attached comments.

Respectfully submitted,
