

INTERPORT

SINCE 1969

In business since 1969, Interport operates a container yard on 50 acres adjacent to the Port of New York and New Jersey. We store, buy, modify, inspect, and sell containers.

We also offer:

- ✓ Close proximity to the Port of NY and NJ
- ✓ A large inventory of new and used shipping containers
- ✓ A dedicated on-site modification shop
- ✓ A wide range of pre-engineered and custom-built industry solutions to fit your budget
- ✓ Logistics and project management
- ✓ Engineering design capabilities
- ✓ Up-to-date market intelligence, vast industry knowledge, and deep technical expertise

Custom-Built Container Solutions For Any Need

Interport's dedicated, purpose-built modification shop produces both standard and custom modifications, and our production capability and capacity continue to grow. Popular modifications include:

- Paint
- Windows
- Lighting and electrical
- Air conditioning and heating
- Shelving
- Custom interior furnishing
- Roll-up and personnel doors
- Lock boxes

We can design simple modifications or complex engineered solutions to suit almost any need. We will work with you to fully customize a container solution that meets your specifications and fits your budget.
