Re: In the Matter of Declaring Transmission to Support Offshore Wind a Public Policy of the
State of New Jersey
BPU Docket No. QO20100630

Dear Acting Secretary Diaz:

Please accept this correspondence to inform the New Jersey Board of Public Utilities ("Board") of the intent of Transource Energy, LLC and Transource Pennsylvania, LLC (collectively "Transource") to convey timely notification to PJM Interconnection L.L.C. ("PJM") of Transource's acceptance of the designation of construction responsibility for the New Jersey State Agreement Approach ("SAA") Projects. The due date for this notice to PJM is Friday, January 13, 2023. Transource provided timely notice to PJM on Thursday, January 12, 2023.

In addition, and in compliance with the Board's SAA Order of October 26, 2022, in the above referenced docket, Transource will provide Board Staff an opportunity for review and comment on the draft Designated Entity Agreement, once it is tendered by PJM, and prior to execution.

Thank you for your time and attention to this matter.

Respectfully submitted,

/s/
