Re: NJ Solar 6 LLC
BPU Docket No. QO22090575
TREC Application Numbers NJSTRE1546741490 and NJSTRE1546741523

Dear Acting Secretary Diaz,

On behalf of our client, NJ Solar 6 LLC, we submitted a petition on September 16, 2022 pursuant to N.J.A.C. § 14:1-1.2, requesting an extension of the commercial operation deadlines in the Solar Transition Incentive program for the above referenced solar projects at Immaculata High School. We had requested a 2 month extension of the TREC deadline in that petition. Subsequently, the projects received PTO from the utility on September 29, 2022, which was only 13 days after the TREC expiration date of September 16, 2022. Therefore, we wish to amend our petition to request only a 13 day extension of the TREC deadline.

Please do not hesitate to contact me if you have any questions. Thank you for your time and consideration and we look forward to our future correspondence.

Very truly yours,

Murray E. Bevan
